F.O.B. - DUBAI, UAE

Construction

Vessel was constructed to the highest standard FRP and core technology composition.

During construction process yacht is kept in clean conditions. All finished work is thoroughly protected. Particular attention is given to the covering of materials that could absorb impacts from tools, materials, and workers.

Accommodations

Arrangement and accommodation layout will be built per General Arrangement of builder or to client specification.

The M120 is a five stateroom arrangement with full beam on-deck Master Stateroom, two queen berth guest staterooms and 2 twin berth guest staterooms are located amid ship below deck. Each Guest Stateroom has a large en-suite Head.

Day heads are located on Main Deck and Lounge Deck.

Beach Club and Swim Platform

- Electrohydraulic crane for launching dinghy
- Launching tender: up to 16'
- Electrohydraulic garage door
- Stainless steel pop-up cleats
- Removable Stainless steel staple rails on swim platform
- Swim ladder
- Passerelle
- Teak decking (as specified)

Aft Deck

- Stainless steel Salon entry door
- Two freeing ports

- Weather tight doors Sliding patio door
- Stairway to Lounge Deck starboard
- Counter top with washing sink to starboard
- Upholstered sofa with teak dining table and chairs (as specified)
- Bulwark side doors to port and starboard
- Stainless steel transom doors
- Teak decking (as specified)
- Ceiling speakers

Main Salon

- Sofas with side tables
- Coffee tables
- Loose arm chairs
- Blinds (as specified)
- Electric curtain at the entrance
- Flooring (as specified)
- 55" LED TV with pop-up lift (as specified)
- Ceiling speakers
- Satellite receiver (as specified)
- Media hub (as specified)

Formal Dining

- Dining table with 10 persons seating capacity (as specified)
- Low counter tables with storage cabinets
- Blinds (as specified)
- Sliding doors to pantry and lobby
- Sliding door to China storage
- Wooden floor (as specified)

Passageway to Galley

- Counter top with storage cabinets
- Icemaker
- Coffee machine
- Sliding fire rated door to main galley
- Flooring (as specified)

Galley

- Double well sink with faucet
- Overhead and under counter cabinets
- Dining table with two sofas
- Four refrigerator/freezer unit combination
- Oven
- Dishwasher
- Induction cooktop
- Cooktop ventilation hood
- Coffee machine
- Microwave oven
- Ice maker

- Door to Laundry
- Blinds (as specified)
- Flooring (as specified)
- Automatic fire dampers
- Structural fire protection per class (as specified)
- 32" LED TV
- Ceiling speakers
- Satellite Receiver (as specified)

Laundry Room

- Washers
- Dryers
- Ironing station
- Storage cabinetry
- Flooring (as specified)

Day Head

- Sink with faucet
- Vanity mirror
- Electric toilet
- Sanitary accessories
- Blinds (as specified)
- Flooring (as specified)

Main Foyer

- Stairway to Sky Lounge foyer
- Stairway to lower Guest landing
- Day head
- Door to Master Stateroom
- Flooring (as specified)

Master Stateroom

- Located on Main Deck
- Double berths with night tables
- Sofas to port and starboard
- Walk-In closet
- Safe with digital lock
- Blinds (as specified)
- TV counter with side cabinets
- Vanity table with chair
- Under counter small fridge
- Flooring (as specified)
- 55" LED mirror TV
- Ceiling speakers
- Satellite receiver (as specified)
- Media hub (as specified)

Master Head

- Counter top with twin sinks and faucets (as specified)
- Mirror TV above the vanity
- Door to shower room
- Door to toilet
- Electric Toilet
- Bidet
- Sanitary accessories
- Flooring (as specified)
- Blinds (as specified)
- Shower seat
- Head and handheld showers

Upper Deck Foyer

- Door to Pilothouse
- Door to day head
- Blinds (as specified)
- Flooring (as specified)

Pilothouse

- Main helm station
- Captain's adjustable seat
- Elevated settee aft of helm station
- Working desk with chair
- Flip down chart table
- Door to captain's cabin
- Flooring (as specified)
- Stereo system with built-in Wifi
- Ceiling speakers
- Music sound control unit
- Satellite entertainment Television system
- Navigation system
- Two navigational displays on Pilothouse
- Magnetic compass
- Two radar scanners
- GPS system
- Automatic identification system
- Autopilot
- VHF Radio with DSC
- MF with DSC
- NAVTEX
- Spare magnetic compass
- Hand bearing compass
- Rudder angle indicator
- BNWAS
- Daylight signaling lamp
- Flir Night vision
- Brass Bell
- GMDDS -Two echo sounders for temperature and depth measurement
- GMDDS -Two wind transducers integrated with instrument display on main helm station

- GMDDS -Lighting arrester
- GMDDS -Doors and windows sensors integrated to alarm and monitoring system
- Horn Switch
- Control panel
- Bow thruster controller

Captain's Cabin

- Double berth with night table
- Wardrobe
- Blinds (as specified)
- Flooring (as specified)
- 32" LED TV
- Satellite receiver (as specified)
- Media hub (as specified)
- Safe with digital lock

Captain's Head

- Sink with faucet
- Vanity mirror
- Hand held shower
- Electric toilet
- Sanitary accessories
- Teak grating
- Flooring (as specified)

Sky Lounge

- L-shaped sofa with side tables
- Coffee table
- Loose arm chair
- Wet bar with sink
- Bar stools
- Under counter fridge
- Sliding door to Upper Deck Aft
- Blinds (as specified)
- Flooring (as specified)
- 55" LED TV
- Ceiling speakers
- Subwoofer
- Satellite receiver (as specified)
- Media Hub (as specified)

Guest Lounge Area

- L-shaped sofa
- Arm chair
- Desk vanity
- Coffee table

Two Double Guest Staterooms

- Double berths with night tables
- Vanity table with chair
- Wardrobe
- Blinds (as specified)
- Flooring (as specified)
- 32" LED TV
- Ceiling speakers
- Satellite receiver
- Media hub (as specified)

Two Double Guest Heads

- Counter top with sinks (as specified)
- Vanity mirror
- Electric toilet
- Sanitary Accessories
- Binds (as specified)
- Flooring (as specified)
- Glass door to shower room
- Head and handheld showers
- Shower seat

Two Twin Guest Stateroom

- Two single berths with a night table in the center
- Wardrobe
- Blinds (as specified)
- Flooring (as specified)
- 32" LED TV
- Ceiling speakers
- Satellite receiver (as specified)
- Media hub (as specified)

Two Twin Guest Heads

- Counter top with sink and faucet (as specified)
- Vanity mirror with storage cabinet
- Electric toilet
- Sanitary accessories
- Flooring (as specified)
- Blinds (as specified)
- Glass door to shower room
- Head and handheld showers
- Shower seat

VIP Stateroom (Optional)

- Double berths with night tables
- Walk-in closet
- Blinds (as specified)
- Flooring (as specified)
- 32" LED TV

- Ceiling speakers
- Satellite receiver
- Media hub (as specified)

VIP Head

- Counter top with sink and faucet (as specified)
- Vanity mirror
- Electric toilet
- Sanitary accessories
- Flooring (as specified)
- Head and handheld Shower
- Glass door shower

Crew Mess and Lounge

- Counter top with bowl sink and faucet
- Overhead cabinets
- Storage cabinets
- L-shaped settee with table
- Fridge-freezer combination
- Microwave
- Washer / Dryer
- Doors to crew cabins
- Watertight / Fire rated door to engine room
- Flooring (as specified)
- Speaker
- 32" LED TV
- Satellite Receiver (as specified)

Crew Cabins

Three cabins:

- Bunk beds
- Wardrobe
- Blinds (as specified)
- Flooring (as specified)

Crew heads

- Sink with faucet
- Vanity mirror
- Electric toilet
- Hand held showers
- Flooring (as specified)

Forward Deck

- Stainless steel railings
- Flag Post

- Stainless steel deck cleats
- Stainless steel fairleads with rollers
- Two freeing ports
- Watertight hatch anchor chain compartments
- Flooring (as specified)
- Rail track for cleaning
- Sunbed with safety railing
- Upholstered sofa with two teak tables
- Pantograph doors to Pilothouse to port and starboard
- Ceiling speakers

Flybridge

- Stainless steel railings
- L-Shaped upholstered sofa with coffee table
- Wet bar with sink
- BBQ grill
- Under counter fridge
- Ice maker
- Four bar stools with stainless steel bases
- Jacuzzi with Sunbed
- Sun loungers with side tables
- Hardtop access ladder
- LED exterior lights
- Flooring (as specified)
- Speakers

Lounge Deck - Aft

- Sliding Door
- Service counter to starboard with icemaker
- 3-seater sofa with two round end tables
- Two armchairs with two coffee tables
- Flooring (as specified)

Docking Station

- Throttle control
- Bow thruster joystick
- Engine control panel
- Horn switch

Engine Room

- Twin MTU 16V2000M96L, 1939 kW, 2600 BHP, 2450 RPM marine diesel engines combined with SCR (compliance to
- IMO Tier III)
- 5,709 US gallons FRP fuel tanks with interconnection and fuel transfer system
- Two 80kW, 400V AC, 50 Hz, 3~phase generators
- Twin reverse reduction gearbox
- Twin propellers
- Electric fin stabilizers with servo control unit

- Exhaust and ventilation reversible fans with fire dampers
- Structural fire protection
- Main AC fuel transfer pump
- DC fuel transfer pump
- Deck fillers inside recessed lockers on main deck side gunwale
- Fuel polishing system connected to the fuel transfer system
- Zinc anodes
- Copper plates

Electrical Equipment and Systems

- Line voltage: 230V-400V AC 3~phase
- DC voltage: 24V
- Two 80kW, 230/400V AC, 50 Hz, 3~phase generators
- Dockside cable master system
- Main switch board (400V, 3~phase, 50Hz)
- Four 16A smart battery chargers for charging engine and generator batteries
- One 100A batter charger for charging machinery batteries
- One 80A battery charger for charging emergency batteries
- One 80A battery charger for charging service batteries
- One 30A battery charger for charging GMDSS batteries
- Four 12V, 200AH batteries for engines
- Four 12V, 100AH batteries for machinery
- Two 12V, 200AH batteries for service
- Four 12V, 100AH batteries for generators
- Two 12V, 200AH batteries for emergency
- All accommodation and machinery spaces have 230V AC power outlets

A/C System:

- Energy recovery air conditioning chiller unit with the total cooling capacity around 600,000 BTU
- Fresh air system with one fresh air makeup unit and one extraction unit
- Sea water pumps for accommodations and one for Engine Room
- Water pumps for accommodations and one for Engine Room
- Air handler units with capacities ranging from 5,000 to 45,000 BTU

Lube Oil System:

- Two 173 US gallons FRP clean and dirty lube oil tanks
- Main AC lube oil pump
- Manual lube oil pump
- Stainless steel lube oil manifold

Fresh Water System:

- 2,608 US gallons FRP fresh water tank
- Two fresh water AC pumps, one AC transfer pump and an emergency DC pump

- One 200 liters buffer tank
- Two hot water circulation pumps
- Water maker with 500 liters/hour production capacity with sea water intake pumps
- Fresh water sterilizing system
- Deck wash connections in garage, main deck, upper deck, fore deck and sun deck
- Transom shower with hot and cold water faucet
- Dock connection for fresh water supply with pressure regulator
- Windscreen wiper system

Grey Water System:

- 532 US gallons FRP forward grey water tank
- Deck out for overboard discharge to port/marina
- Black and grey pumps interconnection
- Polished stainless steel scuppers on all decks

Black Water System:

- 991 US gallons FRP forward black water tank
- Deck out for overboard discharge to port/marina
- Sewage treatment plant with sufficient treating capacity

Bilge System:

- Bilge suction strainers
- Main bilge pump connected to the fire and bilge manifold
- High water bilge alarm panel in the Pilothouse. The alarms are audible and visual

Safety and Fire Protection Systems

Alarm and Monitoring System:

Alarm and monitoring system automation system for monitoring and controlling the yacht.

Tank level, pumps start and stop, general alarm, fire alarm, power failure, engines exhaust gas temp., batteries power management, navigation lights control and monitoring, bilge alarm monitoring, garage gas detectors and hatches and doors open/close monitoring is integrated.

Fire Detection and Fire Alarm System:

- Fire Alarm panel
- Smoke detectors
- Heat detectors

- Call point
- Fire bells
- Warning light

Fire Appliances:

- FM-200 fixed fire extinguishing system
- Main fire pump, interconnected to the Fire and Bilge manifold
- Emergency diesel pump
- 05Kg dry powder fire extinguishers
- Five fire hydrant supply points are provided with fire hose reel of 20M with jet spray nozzle on upper deck
- forward and aft, main deck aft, main deck lobby, guest lobby, and engine room
- International shore connection with isolation valve and fire hydrant
- Fire control plan for the guidance of the Master and Crew of the yacht

Life Saving Appliances and Means of Escape:

- Four life rafts each with 10 persons capacity
- Inflatable life jackets with light and whistle (21 adult)
- Inflatable life jackets (4 child)
- Immersion suits (21 adult and 4 child)
- Two lifebuoys with light and smoke
- Two lifebuoys with line
- One set of line throwing appliances
- Six rocket parachute flares
- Emergency position indicating radio beacon
- Search and rescue transponder
- Fireman's outfit
- Breathing apparatus
- Fire blanket
- Embarkation ladder
- First aid kit

Camera Monitoring System

CCTV camera monitoring system with dome cameras located at the following locations:

- Sundeck
- Aft cockpit
- Gunnel port and starboard
- Engine room forward and aft

Lighting Systems

Navigation Lights:

- Following navigation lights are installed:

- Masthead light
- Port light
- Starboard light
- Stern light
- Anchor light
- Not under command lights
- Navigation shapes

Emergency Lighting:

- 24V DC emergency lights

Flood Lights:

- Flood lights on hardtop aft
- Flood lights on sundeck aft
- Flood lights on upper deck aft
- Flood lights on the foredeck flag post

Underwater Lights:

- LED white underwater lights

Sound and Network Equipment

- Router
- Networking switches
- Indoor and outdoor access points
- Storage device with four 4TB hard drives
- HDMI splitter
- HDMI extender
- Amplifier
- Music control unit connect in all accommodation areas
- Video switcher

Anchor and Mooring Equipment

- Twin electric vertical windlasses stainless steel 5.5kW, 14m/min speed, 2600Kg continuous pull
- Two digital chain counters on Pilothouse
- Two 152Kg SHHP Pool TW type anchors with 16mm diameter stud link chain of 122m length.
- Pressure washing of chain only by sea water
- Twin electric stainless steel, 12m/min speed, 1750Kg continuous pull capstans with foot switches.
- Mooring lines 3 nos. 70m length/each with eye at one end
- Retractable boat hooks
- Fenders F6, 11" x 42"
- Fenders ties, 4.5 meter, 10mm 3 strand, white
- Portable hose reel
- Deck wash connectors

Majesty 120 Optional Items

The options selected from the below list and any additional requirement shall be considered as a variation and upon confirmation shall become a part of Work Order:

1. Awning on sundeck aft
2. Awning on upper deck forward
3. Awning on upper deck aft
4. Satellite communication system (USA compliant)
5. Electrohydraulic crane with safe working load 770 kg on foredeck
6. Shore power converter or Isolation transformer
7. Electrohydraulic transformer
8. Aft crane with 1000kg lifting capacity
9. Multifunctional ladder
10. Electric stern thruster
11. Side mount ladder
