Price Reduction May 4, 2024 This lightly used Invincible 37 Catamaran is powered by Quad Mercury 400's with only has 160 hours on her and kept on a lift by her original owner that custom built her for fishing and cruising. She offers many extras that the owner has selected in the build process.

### Price Reduction May 1, 2024

This lightly used Invincible 37 Catamaran is powered by Quad Mercury 400's with only has 160 hours on her and kept on a lift by her original owner that custom built her for fishing and cruising. She offers many extras that make her a friendly family cruiser or a professional fishing machine. She is well appointed with custom forward seating with back rests for lounging, all offering additional storage below. The forward seating has a custom gypsy awning for shade while at anchor or the dock entertaining. While at anchor she offers easy access to the water through a custom dive door with a ladder on the port aft side.

She was built with custom helm seating with a hard tempered glass windshield with side wing curtains that make a passage cruising at good speeds very comfortable in inclement weather conditions. She offers a full array of electronics with plotter, radar, sounder and engine instruments on large Garmin screens for easy visibility at high speeds.

The avid fisherman will be thankful for the upgraded custom pressurized bait wells, the Carbon Fiber outriggers, electric outlets for the electric reels, and custom bait cutting station. She offers the high end CHIRP radar to find the birds and the CHIRP sonar to help locate the fish.

Overall this is a rare opportunity to have a great cruiser and fishing machine that is well appointed with an "Aquamist" color scheme and luxury upholstery with diamond stitching and piping on all the cushions combined with an incredible music system for your listing choice.
