This 65' Viking Convertible will let you experience the Viking difference. With flawless engineering and well-designed styling, the 65' Viking is in a class all its own. Owner wants to move up to a larger motor yacht.

She was peeled and completely repainted from the waterline up by Viking in 2022 to the tune of \$300,000. Also has a new short block on starboard side with 800 hours and 5000 hours on port. Just received all new fluids and filters (8/1/22), as well as waxed and bottom touched up.

In 2017:

- port motors had brand new injectors and seals installed
- The bundles were cleaned
- New turbos on both motors
- New computers on both engines
