## Summary/Description

For Sale

2002 31 Yellowfin in pristine condition inside and out. Boat was recently rigged with brand new twin 2015 Yamaha F300 Outboards with 60 hours on them and a Yamaha factory warranty remaining until November of 2021! At the time of repower the boat went under an extensive refurbishment that included new upholstery, a new t-top, and all new wiring/controls.

You will not find a cleaner 2002! People step on the boat and swear its only a couple years old. Not to mention you cannot ask for a better power package with the 2015 Yamaha F300's that have arguably been proven to be one of the very best motors Yamaha has made.
