Fuel: Diesel

Summary/Description

Skip the wait and enjoy the savings on this 2023 Pardo 43, which is like new, to say the least.

Skip the wait and enjoy the savings on this 2023 Pardo 43, which is like new, to say the least.

Leave nothing to be desired when out at sea on board this Pardo 43 with nearly every option including Gyrostabilizer, Joystick, Bow thruster, Garmin electronics and much more. Metallic hull and deck paint will turn heads no matter if it is a short trip to the beach or a longer run for a weekend getaway.

Step on board directly from the massive hydraulic swim platform and have the freedom to move forward on either the port or starboard side thanks to the intelligently designed layout. Just ahead of the swim platform is another very well-thought-out feature, which is the storage trunk that opens electrically and can hold many cases of water, fenders, suitcases, water toys and whatever else may be needed for the outing. This storage trunk is covered with beautiful sunpad style seating and adjustable backrests. Further forward is where the majority of the entertainment happens with a natural teak table that opens up to make for a fantastic dining area. The summer galley is mid-ship and boasts an incredible amount of usability with a sink, refrigerator, trash can, cooktop and storage. Along with the large refrigerator, there are two additional refrigerator drawers that can be lowered to freezer temperatures just aft of the summer galley. To top it all off, nearly this entire area can be covered by a sunshade with the push of a button.

Adjacent to the helm, which is also just forward of the summer galley, is access to the overnight amenities, including a full-sized island berth forward, two twin berths aft, as well as a full head with separate showers. An abundance of storage in the cabin allows for overnight or weekend trips with ease and comfort. Returning up the floating staircase, the helm is entirely too aesthetically pleasing and functional to skip. A carbon fiber inlay sets the tone for aggressive elegance which is carried throughout the helm and the boat with sharp lines and sleek edges.

The aft facing seat on the bow of the 43 Pardo is typically the most popular seat on the boat and transforms the bow into a private oasis with a sunpad fit for two.

Call the listing broker direct for the best opportunity.
