Step aboard effortlessly from the expansive hydraulic swim platform and explore the intelligently designed layout that offers seamless movement around the boat. From the convenient storage trunk to the stylish sunpad seating and adjustable backrests, every detail has been carefully considered for maximum comfort and functionality.

The mid-ship summer galley is a highlight, equipped with a range of amenities including a sink, refrigerator, cooktop, and ample storage space. Plus, the ability to transform the dining area with the push of a button adds an extra layer of convenience.

Below deck, the overnight accommodations are spacious and comfortable, with a full-sized island berth forward, twin berths aft, and a full head with separate showers. Storage options abound, making overnight or weekend trips a breeze.

At the helm, the sleek and functional design is a testament to the boat's elegance and performance. With carbon fiber inlays and sharp lines, it's as visually striking as it is practical.

And let's not forget the bow, which offers a private oasis with its aft-facing seat and sunpad—perfect for soaking up the sun and enjoying the tranquility of the open water.
