Hours: 95

Engine 4

Mercury
Verado
Outboard
350HP
Fuel: Gas/Petrol
Hours: 95

Summary/Description

ENGINE WARRANTIES THROUGH 11/2025!!

Make All Offers on this Immaculate Dealer Trade-In; not a brokerage boat.

There are huge advantages in buying a dealer trade vs a brokerage boat.

Pricing: We bought it right so you can buy it right!

Servicing: We are a Mercury Certified Service Center. Our techs completed all services on her Quad350's. She is turn-key and ready to run!

Services Completed: Engine Upper and lower oil changes, Primary and secondary fuel filters.

In addition, she has a fresh coat of bottom paint, compound, wax and is detailed regularly inside and out.

I highly doubt the guy next door selling his boat has the capabilities to make ready his boat the way we have for over 60 years!!!

Also we replaced under warranty the Fischer Panda Generator. It is brand new!

She has Mercury Platinum Protection the 11/2025, over 20 months remaining!

She will top out in the low 50's MPH and cruise comfortably all day at 35 MPH.

Extremely low hours. Boat looks brand new! Cabin is pristine! Not fished, barley cruised.

Why is the boat less expensive relative to the others out there?

She does not have a Stabilizer or a joystick. She does have a bow thruster so if you know how to handle a boat, this one is for you!

Loaded with other options; Cabin A/C, (3) 16" MFD's, underwater lights and on and on...

Available to be seen at any time at our Service Center or on Facetime.
