The Princess F55 exudes a new standard of refinement, featuring enriched upholstery and timber finishes, inlaid polished stainless steel and the latest Princess styling.

As seen on larger yachts in the range, the cockpit server unit connects to the galley unit, seamlessly integrating the two entertainment areas. The spacious main deck saloon is accentuated by vast saloon windows, complemented by subtle accent lighting, soft fabric finishes and hand-stitched detailing. A contemporary U-shaped sofa with convertible coffee/dining table and sofa adjacent, creates the perfect place to spend time with loved ones.

Below deck, new expansive hull windows generously flood the three cabins with light, including the master stateroom with dressing table, breakfast area and en-suite bathroom, a forward double guest cabin and starboard twin cabin with the option of a double bed conversion, plus crew accommodations with head.

Call listing broker direct to schedule a private showing today!
