This new model has inherited the strengths of her predecessor, yet she also features her own innovations. The true PRESTIGE spirit can be felt in this ingenious, top-of-the-line model.

In a pure, dynamic style, the **PRESTIGE 520** offers multiple zones for relaxing in comfort. First, we have the XXL Flybridge, unique on a motor yacht of 52 feet!

Life on board is easy, enhanced by numerous clever details. Conducive to relaxation, the L-shaped saloon includes an immense integrated storage locker. Intensely bright, the inviting saloon evokes a sense of well-being. Facing sofas and a modular cockpit bench seat, which can pivot to face the saloon, create the perfect space for entertaining.

Extremely large windows contribute to the soft, warm atmosphere on the interior, while offering unimpeded visibility.
