THE ABSOLUTE FORM OF COMFORT IN ONLY ONE BOAT

The Absolute 50 Fly implements concepts and solutions typical of bigger luxury motor yachts.

The IPS-600 systems provide best performances, low consumption, silent movement and absence of vibration.

Yesterday, comfort was only a word: today it has found its tangible expression in a space designed for seven guests. Indoor space's liveability is easier thanks to the sliding doors, the rounded edges of the furniture's finishes, the king sizes of the beds and the ease of the floors, almost without steps and differences in height. The night area includes three cabins for a total of six guests. Moreover, the fourth aft cabin can host both an expert sailor and a guest.
