## Summary/Description

THE PLEASURE OF SAILING, GLIDING OVER THE SEA Fifty-two feet of pure Absolute innovation, featuring unsurpassed comfort and elegance while at harmony with the sea.

### **THE PLEASURE OF SAILING, GLIDING OVER THE SEA**

**Fifty-two feet of pure Absolute innovation, featuring unsurpassed comfort and elegance while at harmony with the sea.**

**This boat offers significantly higher livability than that found on other similarly sized yachts, without giving up performance or reliability.**

**The fly area has a well-equipped helm area surrounded by sofas, an outdoor galley with a comfortable dining table, and a panoramic terrace. At the bow, you find spacious, modular sun loungers that are highly versatile and encourage socializing.**

**Inside the main salon, the 360-degree view makes you almost feel surrounded by picturesque windows displaying the ocean. The decor is elegant and refined, the spacious galley is well-equipped, and can be connected to the cockpit to create a functional open space that overlooks the water.**

**The helm station is modern and ergonomic, integrated with EmpirBus home automation technology, and equipped with a comfortable side door to ensure full autonomy of the shipowner, even during maneuvering operations.**

**Thanks to the Volvo Penta IPS propulsion system, the performance is excellent and the fuel consumption is reduced.**
