FULL WARRANTIES!

PREMIUM PACKAGE!

This 2023 Prestige 590 was professionally maintained, balance of factory warranties to transfer. Fully loaded and outfitted with the Premium Package, which includes Seakeeper Gyro Stabilizer, Wenge High Gloss Wood Finish, Flybridge Hardtop, Leather Sofas, Skippers Cabin, Upgraded Sound Package, Elite Décor Package, and lots more!

When walking onboard the 2023 590, you will get that “home on the water” feeling! You will see that once you step on to the large hydraulic swim platform and walk up into the warm teak cockpit. Looking into the salon, your eyes will gravitate to the high gloss Wenge wood finish, it really gives it that rich look and feel. You will also notice the large deckhouse windows which allow lots of natural light to come in, an aft galley outfitted with stainless steel appliances, and a private entry way leading to the master stateroom. She has a large flybridge and foredeck which is great for entertaining. Even better, take advantage of the POD Propulsion System. They do an excellent job with fuel efficiency and no fumes. She really shines with close quarter maneuvering. No more worrying about the wind or current, all with the touch of a joystick you can make her move sideways. It makes boating fun.

She is currently in the water and available to show in Staten Island, NY.
