## Summary/Description

THE FIRST MODEL OF THE NEW GENERATION OF THE F-LINE

### THE FIRST MODEL OF THE NEW GENERATION OF THE F-LINE

**Inspired by the movement of water, the elegant, fluid exterior lines of the new hull of the F4 marry perfectly with the polished surfaces of living spaces, reflecting an abundance of natural light. Curves have been meticulously studied to confer softness, refinement, and power to the whole. The exterior and interior furnishings have been reinvented to offer exceptional comfort for all on board.**

**Particular attention has been paid to the selection of new materials, such as natural stone, sculpted woodwork, and wicker. Designed by Garroni Design, the F4 heralds the design of future models of the F-Line, featuring even greater comfort and an exceptional level of finish.**
