Summary/Description

HIGH STANDARDS. COMPACT SIZE. THE HANSE 315.

With Hanse, you have a progressive yacht that makes a statement. Technical innovations and quality in every detail are just as much part of the Hanse 315 as are an emotional design and comfortable atmosphere of well being. Each detail is a subtle expression of superior design. The well orchestrated ensemble of advanced technology and its integration is the highest art of yacht design at Hanse – and what drives us to create the perfect yacht.

The Hanse 315 unites everything that makes a yacht excellent: an outstanding combination of comfortable convenience, thrilling performance and unparalleled customization options. Experience for yourself how even your highest standards are made reality in a perfectly compact yacht: your personal Hanse 315.

Built to amaze at sea. The distinct hull lines underscoring speed, the high rig and the ideally optimized sailing plan all stem from the feather of judel/vrolijk & co, one of the world's best and most experienced yacht designers. The interplay of a perfectly adapted lateral plan and a pre-balanced rudder blade is your guarantee for fantastic speed, stability and safety.
