Engines/Generators

Summary/Description

The very popular Hanse 388, is a cruiser that lets in more sunlight below deck than any other yacht in its class.

A record number of portholes in the hull and on deck – and even alongside the companionway – flooding the saloon with natural sunlight the whole day through. The well-structured, large cockpit and the generously designed deck spaces invite you to relax under the sun. Come aboard and discover more about this luxurious yacht.
