Penta D6-380
Inboard
380HP
Fuel: Diesel
Year: 2023
Location: Starboard

Summary/Description

For Order - Timeless beautiful lines meet strict design and clever functionality. With the Nimbus Coupé series we strive to build the perfect boat for the conscious customer who enjoys social activities, comfortable living, easy handling and excellent long distance cruising properties.

The aft deck shares the same level as the swim platform and salon. It has a generously sized, comfortable L-shaped sofa for five persons with fold-able seating.

In the salon, the dining table folds down into a cocktail table with glass holders and stainless steel handles. Perfect for relaxing or social activities with friends and family.

The interior of the boat is of wonderful quality and atmosphere, particularly in regard to space and light. There is integrated ventilation with five large opening port lights for extra light intake. Upholstered bulkheads in light colors help to reduce noise.

The boat has three cabins, an owner's cabin and two guest cabins with two heads.

In all, the 405 Coupé is a contemporary, super-functional boat with reduced environmental impact which is perfect for an uncomplicated and enjoyable life at sea.

The Nimbus 405 Coupé comes "turnkey" with everything needed to enjoy safe, carefree cruising.
