Manufacturer Provided Description

Innovative, bold, and original, this Jeanneau Yachts 55 is a direct and uncompromising response to meet the needs of sailors who love to travel and who appreciate beauty. This sailing yacht offers a world entirely constructed around its owners, headed for a unique cruising experience. Faithful to the spirit of the line – with elegance, high performance, and comfort for offshore sailing and longer voyages – this sailboat does not hesitate to break from tradition to better meet the expectations of avid sailors headed for far-off destinations. Designed as a true private apartment, in an unprecedented layout, the forward owner's suite occupies fully two-thirds of the interior. Refined, bright and comfortable, the Jeanneau Yachts 55 is well equipped for cruising with full peace of mind. The main companionway provides private access to the owner's suite, opening onto the forward cabin, and features numerous handholds for safety on board while under way. Two cabins with private bathrooms enable guests to enjoy perfectly independent living spaces, accessible from the cockpit by two separate companionways.

On the exterior, the Dual Cockpit takes on new meaning. The aft is dedicated to relaxation, featuring: two saloons, one U-shaped and one L-shaped, which each convert into sundecks, and a gigantic hydraulic swim platform. The twin helms are positioned forward, and even feature an exterior chart table with a GPS screen and autopilot controls, all sheltered by the hard top and the wide, wraparound windscreen, offering remarkable visibility. These innovations enable you to cruise in all seasons and latitudes, placing the pleasure of sailing back at the heart of life on board.
