Summary/Description

Motor Yacht NEVER ENOUGH is a 140' / 42.67 m yacht for sale, built and launched by yacht builder Feadship. Delivered to a knowledgeable yacht owner in 1992, this luxury yacht sleeps up to 10 guests in 5 staterooms and has accommodations for 8 crew in 4 cabins.

NEVER ENOUGH (previously GALLANT LADY and KISMET) has been exceptionally well maintained and upgraded throughout her life. Major upgrades were done in 2015 to include new engines, new generators, all new air conditioning, new paint, new teak decks and new electronics. Additional upgrades listed in the specifications. NEVER ENOUGH represents an extremely well-built 5-stateroom yacht with exceptional volume throughout. Both her main saloon and skylounge are full width which makes for a massive interior breadth and allows ample seating and lounging. Her bridge deck aft and sundeck are excellent spaces for dining and outdoor entertainment. NEVER ENOUGH has all the amenities and a layout perfect for both private or charter use.

Overview

NEVER ENOUGH represents an incredible opportunity to own one of the most iconic Feadships to ever cruise the South Florida waters. Originally commissioned as GALLANT LADY and built for a repeat Feadship owner who had knowledge and expectations that were met in this build. The attention to detail is evident throughout the yacht, with high-end materials such as mahogany woodwork and marble finishes. A massive refit was completed in 2017 that included but was not limited to new C32A Caterpillar engines, new generators, a complete paint job, aft deck and swim platform extensions, a new A/C chiller, new electronics, and new teak. An interior refit of all soft goods was finished in December 2022.

Featuring 5 staterooms sleeping 10 guests in exquisite comfort. The full-beam Owner's stateroom with king berth has his and hers ensuite on the main deck. Below are 4 large guest staterooms with 2 queen berths and 2 twins. All staterooms have ample closets and storage, all with ensuite baths and entertainment systems.

Walkthrough

Boarding the boat via steps on the starboard side forward leads to the formal foyer entrance of the main salon. The popular path to enter the vessel is through the boarding gates on either side of the large covered aft deck. Casual seating on the aft deck is perfect for gathering to watch all the water sports that will be staged on the large swim platform if stern to a floating dock or if one is reaching the boat by tender. You can also enter the aft deck from the swim platform by taking a step from port or starboard.

Entering the main saloon from the aft deck through the custom-built double glass sliding doors, you will find an elegant and stylish lounge for entertaining guests. The entertaining bar to port is equipped with all the bar amenities one could need. The seating area includes large custom sofas, multiple chairs, high/low coffee tables, as well as a game table.

The main saloon has a spacious and open feel to it with great visibility through large windows port and starboard. The

spacious formal dining area is one of three places to dine aboard. It features a custom rectangular dining table capable of seating ten guests, with plenty of natural light through the large side windows. There is ample storage to port for storing china, crystal and stemware. An automatic door to port acts as a service entrance between the galley and dining salon.

The large professional galley is located forward to port of the dining salon with access from the midship port side deck for ease of crew access and stocking galley supplies. As you enter the butler's pantry from the dining area, you will find an ice machine and dishwasher. All appliances in the galley are stainless steel units including 2 large side-by-side True refrigerators, steamer oven, dishwashers, 2-drawer freezer, cooktop and 2 double wall ovens and a microwave.

Going forward to starboard on the main deck is the on-deck powder room. Once entering the on-deck Owner's Suite, you will find a settee to starboard, king size berth with bedside table, and built-in desk to port forward. There is ample storage and closet space. The large ensuite is his and hers with shower and tub. The master includes a 50" TV.

Descending the starboard main foyer stairwell to the lower foyer there is access to four large guest staterooms. Two mirror-image staterooms feature queen size beds, ensuite both have shower/tub combo and ample storage and hanging space in the closet. There are also mirror twin cabins with two twin berths in both cabins and ensuites with shower/tub combo.

Moving up the winding stairs from the guest foyer up two levels, passing the main deck to the bridge deck lies the bridge deck dining room. Moving aft you pass a well-appointed bridge deck powder room, continuing aft you enter the expansive skylounge with a very large dining table. Continue walking aft through a set of glass double doors leads to the third dining area on the spacious upper aft deck, featuring a custom teak table accommodating ten guests. Forward on this deck is the spacious pilothouse, with a leather settee with table for guests to enjoy the view without disturbing the captain. A large captain's office with navigation work desk, chart table and drawers is aft and to starboard. Three captain's chairs and plenty of storage are included in the bridge. The bridge wings feature docking stations port & starboard. Via the Portuguese bridge access over a central catwalk in the deckhouse leads to the working foredeck which houses two Wave Runners.

Access to the Sundeck from the bridge deck aft is up a set of stairs centerline. The spacious deck includes a large jacuzzi, full bar set up, ample lounge areas and a full helm station. On the aft part of the sundeck are several comfortable lounge chairs.
