Summary/Description

Looking for a classic gentleman's yacht? Benetti classic lines are unmistakable. Athina was built in 1981 she has a length of 37.6 meters and a beam of 7.2 meters.

She has been very well loved by her one owner, who recently passed away, and the interiors are well appointed and beautifully maintained. She offers accommodation for 10 guests in 5 cabins .

Guest spaces include the main salon and upper salon, which are both generously appointed and perfect for relaxing or gathering together. Outdoor areas include the sheltered aft deck, main aft deck and sundeck, with features including relaxed seating and an al fresco dining set up.

She cruises at 12.5 knots and also features stabilisers for extra comfort. A yacht that is waiting to be enjoyed, she has a real character and no expense has been spared. At this price she represents exceptional value on today's market. The owners are flexible and any reasonable offer will be considered.
