Summary/Description

The world reference in cruising. Oceanis is our range of long-distance, blue water cruisers & for years has set the standard for sailboat design and construction. With a hull that is a marvel in hydrodynamics, Oceanis delivers superior performance while providing stability and safety under sail.

Arrived in St. Petersburg, FL

Following in the wake of her elder sister the Oceanis 51.1, this 40-foot cruiser, with a new hull design by Marc Lombard, offers unrivaled deck volume and interior space, and there are no concessions to performance. The 12-meter long Oceanis 40.1 is available in different layouts, drafts, and rigs, adapting to the most demanding sailor's cruising requirements and satisfying their need for comfort and pleasure under sail.

NAVAL ARCHITECT : Marc Lombard

INTERIOR & DECK DESIGN : Nauta Design
