The clear design of the SR28 CC gives an impressive appearance that radiates both luxury and sportiness. With her characteristics well-tuned proportions and elegant lines, the Windy has created an aesthetic and spacious 28 foot boat with true premium performance.

The interior design is based on over half a century's worth of Scandinavian design excellence and is backed by the leading industry designers. Sleek exterior hull design lending extraordinary fit and finish to the under-thirty-foot, outboard-driven, powerboat market.
