-Custom bow cushions

-Aft Sette cushions replaced in 2021 and much much more!!

The 370 Sea Ray Sundancer design was way ahead of its time and is still considered one of the sleekest modern designed expresses on the water even by today's standards. An abundance of amenities and her sporty performance made the 370 a popular success story for the Sea Ray brand. Down below her spacious mid-cabin sports a large curved sofa, full galley, and head with stall shower. The forward stateroom is both comfortable and private. The aft u-shaped lounge area converts to a nice size bed for two and can also be partitioned off for privacy.

The 370s helm is well appointed and perfectly located for visibility and control and sports an extended helm seat. The remaining cockpit seating provides space for the largest of parties. Engine room access couldn't be better. Her Twin V-driven 454s are easy to get to and maintain.

Walking around and forward on her deck is a confident maneuver with sturdy rails and handholds where needed.
