29HP  
Fuel: Diesel

## Summary/Description

2009 Admiral Executive 40

**Thank you to the Just Catamarans Team for making this listing available and assisting in the sale.**

This Owner's version of Admiral Executive 40 is one of the best cruising Catamarans in her size. With her wide beam, (24 feet) she feels much larger and handles extremely well offshore. She was delivered from Cape Town South Africa where Admiral built her, to Ft. Lauderdale, Florida on her own bottom and sailed the 7,000-mile passage as a shake-down cruise. These Cats sail so well that the primary delivery captain for Admiral purchased one for himself. These beamy Catamarans were well built and have very strong hulls that have a low center of gravity making them safe and nimble ocean crossing vessels.

Punta Azul has a generator and Air Conditioning and loads of cruising gear including; a washer-dryer, Spectra water maker, and a bow sprite with a code 0. She is ready for new adventures with her lucky buyer, she is comfortable and ready to go.

Murray Yacht Sales is the authorized Gulf Coast dealer for Beneteau Sailboats and Excess Catamarans.
