Manufacturer Provided Description

You've just arrived at the top of the line. Robalo's wildly popular R305 Express Walkaround is the perfect mix of innovative cockpit design, spacious cabin appointments and premium quality. Designed for all kinds of waterways, the R305 showcases fishing capabilities usually reserved for much larger boats. Belowdecks, all-new colors, fabrics and maple cabinetry, make the R305 a floating penthouse suite. In the cabin you'll enjoy stainless steel appliances, solid surface countertops, a fiberglass headliner, optional air conditioning and innovative Pullman style bunks. In the cockpit, Robalo's deluxe flip up helm seat and innovative port side convertible lounge are inviting and more comfortable than rivals. Key options include a full enclosure, gas generator, underwater lights and assorted Garmin electronics. The standard hard top features six rod holders, an electronics box, LED lights and integrated life jacket storage.
