Engine 1

Yanmar
6LPA-STP
Inboard
315HP
Fuel: Diesel
Hours: 434
Hours Date: 05-15-2022
Year: 2006
Location: Middle

Generator 1

Panda
4KW

Summary/Description

2006 Mainship Pilot II Rumrunner. Low hours 434, very well maintained.

Down-East Defined- Extremely Low Hours- 434! very well maintained

The romantic retro-styling of the down-east design Pilot 30-II belies her high-tech heritage, truly modern interior and superb performance capabilities. While it may be the dramatic and graceful upward-sloped sheer lines and all-aluminum windshield that first capture your attention, discriminating yachtsmen appreciate the attention to detail and ease of maintenance that sets this trawler in a league all her own. Other key highlights of the Pilot 30-II include her durable all-fiberglass exterior construction, straight tracking semi-displacement hull and highly economical single engine diesel options.

Escape below into the warmth of an inviting cherry wood interior! Enter through the sliding door and discover the generous 6'3" headroom, with the feeling of spaciousness further achieved by five strategically positioned screened portholes. At mealtime, the port side galley accommodates, equipped with a microwave oven, cooktop stove, refrigerator, and plentiful storage. A versatile drop-leaf table sets up a in snap to seat four, then tucks neatly away to make room for the queen-size berth. Other highlights include an all-fiberglass head, cedar-lined hanging locker and CD stereo with cabin and cockpit speakers.
