Summary/Description

Yanmar 6kw Generator and 1993 Perkins 4-108 Engine

This is a professionally built Bruce Roberts Spray 40 that is very well suited for cruising the Islands and beyond in comfort. She is heavily built to safely handle open ocean yet roomy enough to feel like home at anchor or at the dock. The builder, Kanter Yachts, has a worldwide reputation for building rugged yet great looking vessels.

Arc's interior has been completely redone resulting in a clean and practical look that is great looking and easy to maintain. The Perkins 4-108 has low hours and will easily power the hull through the water.

Own a piece of nautical history originally crafted by Joshua Slocum, the buyer will receive a copy of his personal account, *Sailing Around the World*, to keep as an inspiration to cut the lines and go explore the world!
