The generous interior volume has been cleverly balanced by creating large open social areas, alongside bright and comfortable private spaces of the cabins. Matching these accommodations with the efficiency and autonomy to support long distance remote cruising, the new Grand Trawler 62 will allow you to explore non-stop and uninterrupted for days on end in pure luxury.

Intentionally designed to keep you connected to the sea in all its spaces, this yacht features an immense lounge salon, separate galley, raised helm station, a unique terrace to the sea on the transom, and a full beam owner's cabin reminiscent of a luxurious hotel suite. But of all the spaces, the flybridge may be the most impressive. With incredible views, a retractable sunroof in the hardtop, full galley, dining table and separate lounging areas, the flybridge will make every voyage a memorable experience.
