## Data Sheet

Category: Cruisers  
Subcategory: Sloop  
Condition: New  
Model Year: 2022  
Beam: 9'10" LOA: 31' 3" (9.53m)  
LWL: 28' 5" Cabins: 2  
Sleeps: 6  
Head Room: 6' 3"  
Heads: 1

Knots  
Knots  
Fuel Type: Diesel  
Hull Material: Fiberglass  
Bridge Clearance: 44' 10"

Displacement: 8805 lbs  
Fuel Tank: 34 gal (128.7 liters)  
Fresh Water: 42 gal (158.99 liters)  
Holding Tank: 15 gal (56.78 liters)  
Builder: Beneteau  
Designer: Finot Conq

## Engines/Generators

### Engine 1

Yanmar  
3YM20  
Inboard  
21HP  
15KW  
Fuel: Diesel

## Summary/Description

The world reference in cruising. Oceanis is our range of long-distance, blue water cruisers & for years has set the standard for sailboat design and construction. With a hull that is a marvel in hydrodynamics, Oceanis delivers superior performance while providing stability and safety under sail.

The Oceanis 30.1 is easy to sail but lively to helm and promises new experiences and thrills. This robust little smart cruiser is small enough to trail, opening up endless possibilities for sailing on lakes and rivers, as well as coastal sailing and high sea adventures

### EXTERIOR DESIGN

With a stemhead and her hard-chine hull and well-proportioned sides and coachroof, the Oceanis 30.1 looks unashamedly like a small yacht. The Finot-Conq plan has met the double challenge of power and simple navigation. With her slender bow, optimized weight, stiff canvas and square-top mainsail, she performs well in all points of sailing. For beginners or for short-handed sailing, the self-tailing jib and the single winch make her easy to handle. For performance, the Oceanis 30.1 has a large overlapping genoa, a furling code zero and an asymmetric spinnaker. Aft, a step affords access to the sea and can be supplemented by a small lifting platform.

### INTERIOR DESIGN

With a few extra centimetres won in strategic places the Oceanis 30.1 differs from other boats, thanks to a headspace of 1.98 m in all the places inside where it is comfortable to stand. The two good-sized double cabins each have berths running lengthwise and an open entryway making them feel particularly spacious. The two benches in the saloon provide an additional place for two extra berths. The large shower room is divided into a marine toilet on one side and shower and washbasin on the other. At the foot of the gently sloping companionway, the L-shaped galley has top and bottom storage, a 75-litre refrigerator and a real oven under the gas hob.

### FOR EVERYONE

With unbeatable living space for its size and a focus on simplicity of use, the smallest model of the cruising range is nevertheless stylish, and fast, with a highly competitive ready-to-sail price.
