This 2015 Regulator 28FS is a rare find in today's boating market. She's in exceptional condition and only has 289 hours on her Yamaha 300's! The seller spent the offseason upgrading the boat to make her "just right," but recently made the difficult decision to go bigger. New Mercury Revolution 4 blade, 18 degree pitched props boost the low end torque, lower her planing speed and help to keep her nose down offshore. New twin Raymarine Axiom displays, new Lee Sidewinder outrigger bases, new heavy duty Lee 18 foot aluminum outriggers, two new Digital brand antennas for VHF and FM reception, a new Pro Nautic 1230P battery charger, and a new cockpit engine flush system. Original Raymarine 24 mile dome radar, Raymarine VHF and Fusion stereo. She features the full Aqua Mist gelcoat including the engine bracket and the t-top underside to match. White powder coated t-top supports, and gray canvas covers for the helm seat/tackle center, console, and forward seat, "never used" three sided enclosure and the Yeti bucket holder and buckets option. Fresh new blue bottom paint and a new boot stripe. Easy to see in Annapolis, MD only half an hour from BWI airport. No trailer.
