## Vessel Walkthrough

**ARENITA's** sleek, sporty-looking exterior design belies her gorgeous interior that takes full advantage of her wide body and no lower helm in the forward pilothouse area for a country kitchen style galley, besides a formal dining area, typically found on much larger superyachts! Another special feature is the midships main accommodations accessed by stairway located in salon area, with captain and crew quarters, each with private head, in forward area of lower level accessed by separate stairway off of starboard pilothouse.
