29KW

Generator 2

ONAN
21.5KW

Summary/Description

Change in owners plans create this incredible opportunity for you. Delivered in December 2021 she is better than new, has been put through her paces and maintained with an open checkbook. What few punch-list items there were have been taken care of, she is turnkey and ready for immediate delivery.

This 68 Navetta is a rare find as her owners spent countless hours collaborating with the Absolute Shipyard in Italy. The result took what was already an incredible layout and made it better. She has been Americanized with changes that will enhance the ownership experience. Larger and more comfortable seating, additional refrigeration. Larger flat panel TV's on the upper and lower decks as well as the flybridge. She feels like a 90 footer with her immense master forward on the main deck level and giant saloon with floor to ceiling windows. She is the hit of every show displayed in and is now available for immediate sale and delivery. A very experienced captain and owner have her outfitted with all the necessities for cruising the waterways near and far.

GENEROUS ENGINEERING AND PURE ITALIAN STYLE

The Navetta 68 is a result of unburdened creativity and collaboration among our design team and artisans. Offering superior livability, her large and functional spaces are elegantly furnished, designed only to produce maximum comfort. The structure is innovative, the exterior lines are full of personality, and are outlined by the majestic, pillarless side windows.

The Navetta 68 is a yacht that best represents our vision of the absolute, just as we conceived it.

SPACE TURNS INTO EMOTION

All the external areas are spacious and pleasant, as well as easily accessed promoting total safety. The bow deck—set up with a sofa, an extendable table, and a sun lounger—can be reached via wide walkways that are protected, covered, and lit.

The flybridge terrace is spacious: it offers a large relaxation area, an outdoor galley with a dining table, and a helm station with side sofas. You are free to navigate in the company of your guests, while keeping everything under control.

The aft cockpit is designed to enhance the social side of the boat. It connects easily to the galley thanks to the opening windows and the vanishing electric glass in the shared cabinet. What could be the result? A large open space, surrounded by water, ready for your enjoyment.

COMFORT AND ELEGANCE

The main deck has been designed with comfort in mind and offers a 360-degree panorama.

Here, you can enjoy a well-equipped galley, a living room, the salon, and the entertainment area which together offer

great livability, making you feel right at home.

Thanks to creative design of the structure, which allows for four generously-sized cabins and six sliding doors, the spaces below deck are more than what you would expect from a 68-foot boat.

The master suite is located at the bow for exclusive privacy. Inside, you will find a large double bed, comfortable wardrobes for storing your luggage, and a vanity area. On both sides, two panoramic windows stretch the full beam, the en-suite head has a double sink and a large shower made with the best materials.

The other guest cabins are designed with the same care, allowing you to enjoy your vacation at its very best, truly at home at sea.

Please call anytime day or night for immediate assistance.

Standard Equipment Deck

Volvo Penta Engines: 2×D13-IPS1350 (2×735 Kw)

Stainless steel stempost protection with black varnished finishing.

Stainless steel deck apparel.

Pair of mooring bollards and fairleads at the stern and bow with cleats

(four) in the middle length of the side.

Bollards (two) at the stern for crossing lines.

Protective raised gunwale.

Side handrail for walkways in white color fiberglass.

Solid teak-covered floor.

White color deck and deckhouse.

Windscreen and side windows screens.

Synchronized windscreen wipers (three) with washer.

Ship hull in white color with contoured smoke tinted glass windows.

Fuel loading from both sides with protective teak cover and fuel sump pit with anti-backflow system.

Mooring lines (eight).

Standard Equipment Bow

Stainless steel railing.

Wide area in the bow for mooring with solid teak-covered floor.

Ecru-color sun pad in quick drainage foam with adjustable backrests

(four), side glass holders and smartphone holder.

U-shaped sofa with ecru-color quick drainage foam cushions.

Storage compartments under the sofa.

Loudspeakers with fixed remote control and local volume adjustment for sound system connected with the radio in Flybridge.

Storage compartments for fenders with fenders and their Absolute customized covers (eight).

Anchor winch with 50kg (110lbs) stainless steel anchor and 100 m (328 ft) zinc-plated chain with thermal protection and full restoration.

Anchor winch local control with chain counter.

Anchor chain cleaning function with salt water.

Bow anchor roller in stainless steel.

Self-draining anchor chain locker with hatches (two) for inspection and round fenders (two) in housing with Absolute customized covers.

Stainless steel protections for the mooring lines.

Side walkways with solid teak floor.

Standard Equipment Cockpit

Ecru-color sofa with quick drainage foam cushions.

Ceiling made of microfiber coated panels.

Dimmable ceiling lights.

Loudspeakers with remote control and local volume adjustment for sound system connected with the radio in Flybridge.

Aft warping winches (two) with foot switch in housing with light.

Storage compartments for mooring lines.

Housing for additional mooring station.

Storage compartments at the sides.

Storage compartment under the flybridge access stairway.

Life rings in housing on both sides (two) with covers.

Solid teak floor.

Courtesy lights.

Boat hook in housing.

Direct access to the engine room.

Side access doors in fiberglass.

Stainless steel and smoke tinted plexiglass cockpit access doors with logo.

Ladders (two) for descent and ascend the platform with solid teak floor.

Fixed white platform with solid teak floor, aluminum regulatory bathing ladder with automatic stanchions.

Direct water connection to shore line in dedicated compartment with door.

Shore power sockets (two) and cables in dedicated watertight compartment with door.

Crew quarter access.

Wide aft window for crew quarter.

Mooring equipment hidden under hatches, on both sides.

Standard Equipment Flybridge

Ecru-color sofa with quick drainage foam cushions.

Ceiling made of microfiber coated panels.

Dimmable ceiling lights.

Loudspeakers with remote control and local volume adjustment for sound system connected with the radio in Flybridge.

Aft warping winches (two) with foot switch in housing with light.

Storage compartments for mooring lines.

Housing for additional mooring station.

Storage compartments at the sides.

Storage compartment under the flybridge access stairway.

Life rings in housing on both sides (two) with covers.

Solid teak floor.

Courtesy lights.

Boat hook in housing.

Direct access to the engine room.

Side access doors in fiberglass.

Stainless steel and smoke tinted plexiglass cockpit access doors with logo.

Ladders (two) for descent and ascend the platform with solid teak floor.

Fixed white platform with solid teak floor, aluminum regulatory bathing ladder with automatic stanchions.

Direct water connection to shore line in dedicated compartment with door.

Shore power sockets (two) and cables in dedicated watertight compartment with door.

Crew quarter access.

Wide aft window for crew quarter.

Mooring equipment hidden under hatches, on both sides.

Electronic Equipment

Basic electronic instruments and monitoring system.

Radar with solid state technology.

Base Monitoring System

Measures:

- Percentage of tanks filling;
- Engine room and external temperature.

Electrical sources:

- Figures indications of:
 - Batteries voltage;
 - Services batteries' supplied power;
 - Quays voltage, frequency and supply;
- Commutation of engines batteries in case of emergency;
- Alert threshold for the battery's status control;
- Activation and deactivation of battery master switch.

AC Sources

- Automatic switching of utilities from one quay line to the other if the first one is not activated
- Automatic switching from the quay lines to the generator, with generator priority

Generators: switching and reading of operative parameters

Generators

- Automatic electromechanical switching of power under secondary generator when there's voltage, compared to other AC sources
- Warning to switch on secondary generator if absorption exceed the primary generator capacity, in order to distribute power and release more power.

Inverter: Inverter automatic bypass in presence of quay line or generator in order to safeguard the batteries.

Alarms

- Report of the following alarms and events:
 - Quay cables entered (visual);
 - Polarity inverted (acoustic and visual);
 - Crew cabin open door (visual);
 - CO Smoke detector/single (acoustic and visual);
 - Activation of single bilge pumps (visual and acoustic);
 - Gangway retracted (visual);
 - Platform lowered (visual);
 - Portholes opened (visual);
 - Alarm of batteries voltage below the threshold (acoustic and visual);
 - Fire-fighting system with NOVEC1230 ecological gas general alarm (acoustic and visual);
 - Alarm from bilge sensor;

- Full grey and black water tanks alarm (visual and acoustic);

Black water system

- Activation of the tank discharge pump.
- Tanks outboard exhaust inhibited by closed exhaust valves

Grey water system

- Activation of the tank discharge pump
- Tanks outboard exhaust inhibited by closed exhaust valves

Controls

- Bilge pumps switching on/off;
- Winch electrical protection reset.

Air conditioning system

- Switching on/off compressors with hot/cold selection

Comfort Monitoring System (extra)

- Automated SMS (Sim Card not supplied) for the report of predetermined alarms to a group of authorized phone numbers:

- Low voltage of engines and services batteries alarm;

- Bilge pumps alarm (cumulative);

- Quays lack alarm;

- Fire-fighting system alarm (cumulative).

- Control with smartphone/tablet on board by means of

Wi-Fi network of navigation and monitoring displays.

- Operative parameters control for the service batteries, chargers and inverter.

Instrument Panels - Main Deck

Black integrated dashboard with 24" GPS touchscreen display

integrated with monitoring system and blue lights all around.

Touch screen Volvo 9" EVC.

Maneuvering Joystick.

Volvo Software Package (cruise control, trip computer, low speed, single lever).

Compass on the wall in front of the dashboard.

Electronic and adjustable steering.

VHF with DSC with emergency power supply.

Anchor windlass remote control with chain counter.

Electrically adjustable captain seat made of anthracite grey-color

leather with footrest and GPS keyboard on right armrest.

Seating area next to the dashboard

USB port.

Leather steering wheel with steel spokes.

Electrical window on port side.

Starboard side walkway access via manual door.

Switchboard with remote controls.

Instrument Panels - Flybridge

Manually height-adjustable plexiglass deflector with outline made of

stainless steel, for protection against wind.

Ergonomic dashboard with anti-glare viewing angle.

22" GPS display integrated with monitoring system.

Touch screen display Volvo 9" EVC.

Maneuvering Joystick.

Package Software Volvo (cruise control, trip computer, low speed, single lever).

Electronic and adjustable steering.

VHF with DSC with emergency power supply.

Anchor windlass remote control with chain counter.

In flybridge dashboard, Radio Stereo Fusion Radio with local volume control in the

flybridge and bow area, with party mode connection with salon radio.

Adjustable driving seat with thigh rise flap and cover.

Dashboard cover.

Glove compartment with closure.

Glass holders.

USB port.

Water-repellent leather steering wheel with steel spokes.

Electronic Equipment

Basic electronic instruments and monitoring system.

Radar with solid state technology.

Sound Video

Digital terrestrial TV antenna with TV antenna connection cables,

satellite wiring and HDMI connection cables.

In main deck, electrical TV lift mechanism installed in a cabinet.

In the salon, Radio Stereo Fusion with optical digital input for connecting

the radio to the TV, with USB port and Bluetooth connection, connected

to two loudspeakers in the salon and two loudspeakers in the cockpit,

with independent volume control and party mode function.

Galley & Electrical Household Appliances

Smoke tinted glass access door to the salon with two sliding doors and retractable glass window with electric high and low mechanism, that goes into a piece of furniture, usable from the galley and the cockpit, with Dekton with Calacatta marble nuances countertop.

Manual sliding fabric curtains for sliding door and retractable glass window.

Galley with Dekton countertop with Calacatta marble nuances.

Drawer with cutlery for eight people in dedicated housing.

Large cabinetry and storage for pantry, pots and pans with hemp color glossy varnished doors.

Storage compartment for crockery.

Set of crockery, personalized with Absolute logo, in dedicated storage compartment.

Piece of furniture for plates and mugs in housing.

Piece of furniture with magnetized glassware.

Stainless steel sink and faucet with pull out sprayer.

Miele electrical household appliances: microwave, induction cooktop with four hobs, dishwasher.

Fridge (powered by inverter) and freezer column with security closing handles and hemp color glossy varnished doors.

Miele exhaust hood.

Countertop with LED lights.

Window with manual venetian blind.

Electrical smoked glass with up and down mechanism, between galley and sofa.

Natural woven oak floor.

Washing machine - tumble dryer in forward storage area

Main Deck

Elm with matt finishing and glossy varnished dark Canaletto walnut furnishings.

Piece of furniture with dark leatherette top and glossy varnished dark Canaletto walnut top frame and elm doors with matt finishing.

Dining area equipped with matt varnished elm table with magnetized surface, steel legs covered with glossy varnished dark Canaletto walnut, Minotti chairs (three) in Chevron Cinder color fabric and pearl color leather sofa.

Side windows without in-between pillars.

Dark wood manual venetian blinds.

Side walls coated in reeded wood with glossy varnished dark Canaletto walnut frames.

Walls towards the bow coated with fluted elm with matt finishing and ivory color velvet, with electrically opening section towards the Natural woven oak floor on a single level.

Anthracite color switch plates and grey-color switches.

Dimmable ceiling lights.

Stairs to the lower deck, with leather covered stainless steel handrail.

Ceiling coated with ivory-color microfiber panels, with glossy varnished dark Canaletto walnut and ivory-color rounded frames.

Dimmable ceiling lights.

Lower deck companionway courtesy lights.

Stairs to the lower deck, with leather covered stainless steel handrail.

Glossy varnished dark Canaletto walnut piece of furniture for wine cooler (extra), with mirror and lighting.

Switchboard easy to inspect.

Natural woven oak floor.

Walls coated in straight wood.

Wide storage compartment under the bow master cabin.

Bow master cabin

Elm with matt finishing and glossy varnished dark Canaletto walnut furnishings.

Longitudinal queen size double bed with memory foam mattress.

Dark brown leather headboard.

Glossy varnished dark Canaletto walnut bedside tables with glass inserts.

USB sockets integrated in bed switch plates (two)

Set of drawers under the bed.

Cabinet unit with dark leatherette top and glossy varnished dark Canaletto walnut top frame, drawers and doors in elm with matt finishing.

Wall coated with light color velvet.

Vanity table with dark leatherette top and glossy varnished dark Canaletto walnut top frame, mirror and leather ottoman.

Wide windows and opening portholes (two) without in-between pillars.

Wardrobes (two) with mirror door.

Walls coated in ivory color fabric.

Dark wood manual venetian blinds.

Manual blind curtains.

Hatch for emergency exit.

Reading lights.

Coated ceiling boards and rounded ivory color matt lacquered frames.

Dimmable ceiling lights.

Sand color carpet floor.

Master cabin ensuite bathroom

Cabinet with matt finished elm doors, drawers, Corian countertop and double basins.

Bathroom complements.

Bathroom exhaust fan.

Wide shower with glass door, Corian seat, light HPL with grains in relief walls and floor, shower head and spray handset.

WC with bidet function.

Wide windows with opening portholes (two).

Dark wood manual venetian blinds.

Natural woven oak floor.

Mid-ship VIP cabin towards the aft full beam

Elm with matt finishing and glossy varnished dark Canaletto walnut furnishings.

Longitudinal queen size double bed with memory foam mattress.

Dark brown leather headboard.

Glossy varnished dark Canaletto walnut bedside tables with glass inserts.

USB sockets integrated in bed switch plates (two)

Wall coated with light color velvet.

Wide walk-in-wardrobe with mirror door and drawers.

Vanity table with dark leatherette top and glossy varnished dark Canaletto walnut top frame, mirror, leather ottoman and wall covered with dark velvet.

Wide windows without in-between pillars and opening porthole.

Walls coated in ivory color fabric.

Dark wood manual venetian blinds.

Reading lights.

Coated ceiling board and rounded ivory color matt lacquered frames.

Dimmable ceiling lights.

Sand color carpet floor.

VIP cabin towards the aft ensuite bathroom

Cabinet with matt finished elm doors, drawers, Corian countertop and basin inside the cabin.

Retractable mirror with lift mechanism.

Sand color carpet floor.

Bathroom complements.

Bathroom exhaust fan.

Electrical WC with fresh water in separate area with door.

Possibility to close the bathroom area with sliding glass door (extra).

Wide shower with glass door, light HPL with grains in relief walls and seat, shower head and spray handset and opening porthole.

Natural woven oak floor.

Mid-ship cabin port side

Elm with matt finishing and glossy varnished dark Canaletto walnut furnishings.

Single beds (two) with memory foam mattresses and storage compartments.

Dark brown leather headboard and light velvet covered walls.

Glossy varnished dark Canaletto walnut bedside tables.

USB socket integrated in bed switch plate

Opening portholes (two).

Wardrobe with mirror door.

Walls coated in straight wood and elm and dark velvet.

Dark wood manual venetian blinds.

Reading lights.

Coated ceiling boards and rounded ivory color matt lacquered frames.

Dimmable ceiling lights.

Sand color carpet floor.

Central cabin bathroom port side

Cabinet with matt finished elm doors, Corian countertop and basin.

Bathroom complements.

Electrical WC with fresh water.

Wide shower with glass door, light HPL with grains in relief floor, walls

and seat, shower head and spray handset.

Opening porthole.

Natural woven oak floor.

Mid-ship cabin starboard

Elm with matt finishing and glossy varnished dark Canaletto walnut furnishings.

Single beds (two) with memory foam mattresses and storage compartments.

Dark brown leather headboard and light color velvet coated wall.

Glossy varnished dark Canaletto walnut bedside table.

USB socket integrated in bed switch plate

Wall coated with dark color velvet and lower inserts in wood and leatherette.

Wardrobe with mirror door.

Opening porthole (two).

Walls coated in straight wood.

Dark wood manual venetian blinds.

Reading lights.

Coated ceiling boards and rounded ivory color matt lacquered frames.

Dimmable ceiling lights.

Sand color carpet floor.

Crew quarter

Elm with matt finishing furnishings.

Companionway with cabinet and HPL floor.

Main switchboard.

Wide storage area with opening porthole.

Wide windows with roller blinds.

Air conditioning.

Separate access from the aft platform with open door sensor.

Captain cabin with door, single bed, wardrobe, shelves, HPL floor and opening porthole.

Bathroom with glass basin, cabinet, WC, shower with HPL floor.

Bathroom complements.

Factory Installed Options

60kg (132lbs) Ultra stainless-steel anchor with non-foul-chain bar, twister and safety lock
