Summary/Description

At first glance of the Leopard 48, one finds an ear-to-ear smile appearing on their face. The ultimate performance cruiser is your first thought followed by where am I going to go first.

At first glance of the Leopard 48, one finds an ear-to-ear smile appearing on their face. The ultimate performance cruiser is your first thought followed by where am I going to go first. My guess it will be one of our local channel islands because this is the first and only Leopard 48 on the West Coast of the United States. "Rubber Ducky" is clean, and well equipped, when viewing take notice electrical system, spare parts inventory, anchor gear, and communications. It's here, it's now, and what you have been searching for! She will not last long, easy to show!

Accommodations

When you approach the Leopard 48 your heart skips a beat, stepping onto the swim step instant gratification overwhelms you with your dreams becoming into reach. The Leopard 48 is designed for blue water cruising, the boat immediately wraps its arms around you while greeting you into its spacious cockpit with functionality in mind it is easy to board the Leopard 48. As you step on board you will notice the dinghy and davits with electric winch providing safe storage while at sea and easy launching upon your arrival. There is easy access to the helm station and into the salon. While entering the salon you will be taken back by the living area being contemporary and spacious with plenty of natural light coming through the panoramic windows appreciating how well everything flows

from helm to cockpit and then into the salon.

To port is the galley that features Corian countertops, an Eno three burner gas stove and oven, three in one Breville combiwave, double basin stainless sink. Across and to starboard is an upper and lower refrigerator/freezer, electric panel, and TV monitor. Just forward is a large U- shaped salon table that can turn into the perfect sea berth. Across and to port navigation station with autopilot remote, and VHF radio. Just forward of the salon bulkhead is the bow

cockpit that is unique to the Leopard design.

From the salon and down to starboard is the owner's stateroom with well proportional horizontal windows providing ample light throughout the stateroom. Forward of the berth is an office area leading into the owner's private head with a stall shower and more than adequate ventilation. Hidden in one of the closets is a washer/dryer. To port are two large guest staterooms forward and aft each with its private heads and stall showers. Crews quarters forward in

both port and starboard bows accessed through deck hatches.
