The only 2022 Yacht in its class, the Majesty 120 built by Gulf Craft is in turnkey condition and ready for your private getaway! Excellent exterior and interior layout and loaded with amenities for entertaining, relaxation, and watersports! NO BUILD WAIT!

2022 Gulf Craft Majesty 120

NEW WITHOUT THE WAIT - BUY and BOARD!

Gulf Craft's Majesty 120 is Honoured at the Design et al International Yacht and Aviation Awards!

The Majesty 120 is a magnificent, state-of-the-art tri-deck superyacht featuring the naval architecture and exterior design of Gulf Craft's elite design studio and interior design by award-winning Italian design firm, Cristiano Gatto Design. The Majesty 120 is powered by twin 2636 hp MTU diesels capable of top speeds over 22 knots and a range of up to 2,700 NM at 8 knot cruise speed on her semi-displacement hull.

ROCKET ONE has all of the opulent features and amenities expected of a 120-foot superyacht, and the unexpected advantages unique to Gulf Craft's Majesty 120, such as a whopping 30% more outdoor space for entertainment and relaxation than similar sized yachts. Rocket ONE was designed to optimize entertaining—fore to aft, top deck to main deck, the Majesty 120 is ideal for entertaining and relaxation in port or at sea.

The yacht is well planned for chartering with the 5 lower-level guest suites, full beam main deck suite, bars, sunpad lounges, 4-person jacuzzi, PWCs and launch davit on bow deck, stern beach cabana, and massive swim platform for diving, snorkeling, seabobs and other water toys. ROCKET ONE is safe and easy to walk from deck to deck, forward and aft, with teak covered stairs, wide side decks, high forward freeboard, railings, and other safety features.

Crew quarters with 3 en-suite cabins and large captain's quarters aft of pilothouse accommodates up to 8 crew to tend to the needs of 12-14 guests (in 6 staterooms, two with an extra pullman berth). A huge professional stainless-steel kitchen with steward's warming cabinet and other commercial equipment allows chef and crew to prepare and serve gourmet meals in the formal dining area that seats 12 or casual dining areas located throughout the yacht.

ROCKET ONE, a new 2022 Majesty 120 was purchased by the current owner while under construction allowing him to load her with options, and she was finished to a very high world-class standard; owner then upgraded to a larger yacht. She is available for immediate delivery and is still under full warranties and turn-key—ready to sail!

Overview of Exterior Entertainment Areas

The Majesty 120 is optimized for outdoor relaxation and entertainment with 30% more space in specifically designed areas than similar sized yachts.

Forward – Lounge area with raised sunpad lounge for 3 adults surrounded by safety railing, U-shaped built-in cushioned seating on frontside of pilothouse with 2 tables on stainless-steel stanchions, and transverse teak deck for easy access from port or starboard side decks; bow deck with davit to launch Personal Watercraft (PWC).

Stern – Beach Club cabana lounge with movable cushioned couch and seats, end and cocktail tables that is shaded by the push-button operated garage door that lifts on hydraulic struts and has a built-in shower on the door; entertainment console with wet bar, sink, refrigerator, icemaker; huge swim platform for sunning, swimming, and other water activities. Finished garage can also house two jetskis or a tender.

Cockpit/Aft Deck – same level as Main Salon; a long, cushioned settee is built-in against the aft transom with a long rectangular table on 2 sturdy stainless-steel stanchions, starboard side service console with icemaker and storage; great for al fresco dining and cocktails. Access to side decks, Main Salon, and teak-topped stairs to Sky Lounge.

Enclosed Sky Lounge – on bridge deck features a contemporary deco design full bar in port aft corner with 3 bar stools, TV, upholstered L-shaped sofa, cocktail and end tables; aft sliders open to outside aft deck for one vast entertainment space for dancing; aft deck has movable furniture—settee, chairs, cocktail and end tables to form an outdoor social area.

Open Sundeck – on top deck features a full bar with 4 bar stools, sink, grill, fridge, and freezer under shade of hardtop; massive U-shaped cushioned couch, cocktail table; aft movable lounge seating and cocktail tables, aft observation deck area; state-of-the-art spa jacuzzi for 4 with sunpad lounges on either side is located in forward area of sundeck behind venturi-style windscreen.

Vessel Walkthrough

MAIN DECK:

Main Salon on the Main Deck:

- Formal space where guests can gather, relax and dine indoors
- Forward of the main salon to port is a neat pantry leading to the well-equipped galley
- Access to the main deck master is to starboard via an impressive lobby

Accommodations:

The main deck master suite is accompanied by four further guest suites on the lower deck. The full beam master is a light and airy space with lounge area and full beam en-suite. The bathroom boasts a double vanity accessible through mirrored glass doors, a private toilet to starboard and shower to port. On the lower deck, the four guests' staterooms can all be accessed from the lounge lobby. The spacious cabins all benefit from the luxury and privacy of en-suite bathrooms.

The large master stateroom resides on the main deck with a second master in the lower deck, two VIP staterooms and two guest staterooms with single beds and pullman.

Master Stateroom:

The Master stateroom is located forward of the main deck.

- Full beam master that includes two TV sets
- White onyx / backlit headboard
- Office space

- Walk in closet with plenty of storage all around

Master En-Suite Head:

- The en-suite is covered with white marble
- Rain shower
- TV set hidden behind the mirror

LOWER DECK:**Lower Deck Master:**

Forward of the lower deck guest area you will find a second master stateroom.

- This stateroom is well appointed with a large walk-in closet
- Full en-suite
- Large screen TV
- Plenty of storage

VIP Stateroom x 2:

Lower deck aft.

- (2) VIP staterooms that will comfortably sleep two couples
- Plenty of storage
- En-Suite Head and Shower

Guest Cabins x 2:

Mid ship on the lower deck.

- (2) Guest cabins with two single beds and a pullman

The spacious Lower Deck.

- Allows for a cozy lounge area, ideal for children and families to relax

UPPER DECK:

The Sky Lounge on the upper deck boasts panoramic views from the wide windows, uninhibited by the glass railing design. This is also an ideal space for al fresco dining with alternative dining on the main aft deck or spacious foredeck.

She exhibits luxury across all three of her stylish levels.

Sun Deck Features:

- Fabulous jacuzzi surrounded with sun pads
- Full bar and relaxing lounge area covered with a hard top

Convertible Beach Club Offers:

- Relaxing haven where guests can relax before or after water sports or just watch from a sheltered spot
- The space can be converted and used as a tender garage and storage for water sport equipment

- (2) Jet Ski RXP
- (1) Chase boat Pirelli 42
- (2) Electric surfboards
- (1) Electric foil
- (2) Electric submariner
- (2) Snorkeling equipment
- Water Ski and Wake board

Construction Overview and Special Features

The Majesty 120 is a truly majestic tri-deck yacht with her sleek profile and signature huge, tinted hull side windows, deck windows, and the ornamental glass railing in the side bulwarks. Gulf Craft's design and engineering team optimized the hull for performance and fuel efficiency with a composite construction that is lighter in weight, yet 7X stronger than steel or solid laminate's weight to strength ratio. Majesty 120 is a RINA commercial class vessel, the most widely recognized standard of overall safety and seaworthiness in the yachting world.

ROCKET ONE is equipped with a revolutionary thermal energy recovery system that takes waste heat from air conditioning units and generators and uses it to heat the vessel's hot water supply, saving energy and providing unlimited hot water for showers and faucets! She is also equipped with the MARPOWER 100kW air- and water-cooled system that "forms voltages and frequencies ashore to provide a fixed, reliable, and safe power supply onboard for shore power at any port in the world."

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
