- Air Conditioning
- Recent Electronics
- Recent Bimini
- Recent Bottom Paint
- Scroll down past the pictures, brochure & reviews to view the equipment list

The Cruisers 340 Express offers unbeatable performance in an expertly designed, luxurious cruising package. Her interior accommodations will sleep five comfortably. The forward stateroom features a large double bed with easy access, and the stateroom can be closed off from the salon by a privacy curtain or an optional bulkhead and door. Aft, owners can select either a fixed double berth, maximizing overnight accommodations for guests, or an alternate layout with a circular settee that can also be converted to a double berth. With the settee layout, this area can effectively lengthen the salon into one wide open living space, or with the privacy curtain, it can serve as a comfortable mid-cabin. The facing dinette - or available crescent-shaped, convertible dinette - to starboard provides an additional berth. Located just to port of the companionway is a full-service galley with all the amenities, including a large refrigerator/freezer, microwave, and double-burner electric stove. For additional onboard convenience, while cruising or living aboard, the 340 also provides a feature unusual for a boat in this class: a spacious head with a large, separate shower stall and full-standing headroom. Above decks, the 340 has a generous cockpit seating arrangement that is ideal for dockside or on-the-water entertaining. She also features a wet bar, cockpit shower, and available cockpit refrigerator or ice maker - perfect for fun-filled summer afternoons with family and friends. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather. And, the 340 Express boasts a wide variety of power options, as it is available with either stern drive or inboard power.

New Listing 3-27-23, full specs and pictures will be posted in the very near future

Equipment List
