Summary/Description

This Sedan Bridge is designed with classic, yet current, Sea Ray styling. This beauty has a surprisingly large interior for a boat this size. There are three staterooms and two heads with wraparound lounge seating on the flybridge. "In it to Win it" is ready to hit the waves!

This Sedan Bridge is designed with classic, yet current, Sea Ray styling.

One of the best looking sedan cruisers of her era. This beauty has a surprisingly large interior for a boat this size. Step through the sliding glass doors to a spacious salon, dinette, and built-in entertainment center. The large galley is designed with an island-style breakfast bar and under-counter refrigeration as well as a new two drawer refrigerator/freezer.

There are three staterooms on the lower level including a full-size berth in the portside stateroom, twin bunks in the starboard stateroom, and a spacious master stateroom forward with an entertainment center.

On the bridge, wrap around lounge seating is located forward of an extremely well designed helm console. Additional features include high-gloss interior joinery, an extended hydraulic swim platform, transom storage, wide side decks, and a fiberglass hardtop. Powered by Caterpillar diesel 660 HP inboard engines.

The 480 Sea Ray Sedan Bridge offers plenty of luxurious living space indoors in the well-appointed cabin, and outside on the spacious command bridge, easily accessed via a molded stairway. This 480 Sedan Bridge will surely be your home away from home with 3 staterooms and 2 heads. With a fiberglass hardtop, full enclosure and dedicated bridge air conditioning, the command bridge is the perfect place to entertain. Curved bench seating forwards of the helm gives guests a spectacular view while enjoying refreshments and entertainment using the stereo remote control.

The console is large enough to house a tremendous amount of instrumentation, including a digital LCD systems monitor, while two fully adjustable captain's chairs provide absolute comfort. The captain can pilot in total confidence, too. Technical features on the Sea Ray 480 Sedan Bridge are complete with a bow thruster, engine synchronizer, crossover fuel and charging system, 13.5 kW generator with sound box, Glendinning self-winding power cable with wireless remote. There is exceptional visibility from the helm to see the bow, stern and all corners of the boat, affording easier docking.

The cockpit affords travelers easy movement throughout with molded steps to the bridge and foredeck, sliding door access to the cabin plus convenient transom door access to the swim platform.

Going down the steps to the stateroom companionway, immediately to the portside is the VIP stateroom with queen berth and entry door to the guest head just forward. To the starboard side of the companionway is the guest stateroom which has L-shaped twin berths that also function as a couch with their backrest cushions. The starboard side stateroom also features a washer/dryer. All the way forward on the companionway is the master stateroom with centerline oversized berth and en-suite head with enclosed shower. "In it to Win it" is ready to hit the waves!
