Loaded with options and amenities for comfort and pleasure—excellent dayboat and cabin cruiser! Entertain and enjoy life! Efficient Cummins V-drive diesel

THIS IS THE BEST 400 SUNDANCER ON THE MARKET TODAY AND AT THE BEST PRICE!

Excellent example of Sea Ray's most popular cruiser!

HUGE PRICE REDUCTION!!

OWNER WANTS THIS TO BE THE NEXT 400DA SOLD!!

This modern and versatile Sport Cruiser is fully optioned with many high quality upgrades and is very well maintained.

Truly an amazing amount of space in a 40 foot boat with berths for 5 plus a salon sleeper. Featuring a Two Stateroom, Two Head layout with Sea Ray's "Sky-Flow" salon. Complete with Joy Stick, Thruster, Dual 12 inch Multi-function Displays with 4 KW Radar, Upgraded Stereos, Hydraulic Swim Platform, Dynamic Running Surface Technology, Retractable Aft Cockpit Shade, Power Sunroof and lot's more. With only 336 original hours, she is barely broken in and ready to go!

Vessel Walkthrough

This extremely spacious, modern and open floor plan, integrates the helm station, galley, salon, cockpit and aft swim deck all together socially to keep everyone sharing the boating experience in touch. The very large windows, a convenient sunroof, and the double wide sliding salon doors show off Sea Ray's new and innovative SkyFlow Design. The rich (color coordinated) materials and finishes enhance the aesthetics as well as comfort. Featuring two generous two full-beam staterooms with berths for 5 plus a sleeper sofa the whole family can join in the fun. An inside galley with stainless appliances is complemented by an outside "Country Kitchen" with optional refrigeration in the cockpit and a Jen-Air grill on the swim deck.

Main Salon:

The salon is called the "Sun Room" by the builder and features features an L shaped sofa sleeper to starboard and a love seat across to port. The helm station has two matching adjustable upholstered helm seats. Portside forward is the L shaped galley with solid surface counter-tops. and under counter or concealed appliances. The interior flooring is a simulated wood and the upholstery is a simulated leather. There are Roman Shades on the windows and a privacy curtain on the rear double sliding doors. The entertainment center is aft starboard and there are two stereo control heads in the area. (aft by the TV and forward at the helm.) There is very impressive 360 degree visibility from this "Sun Room" area and one gets the feeling of being outdoors with the sunroof, cockpit sliding door and drapes open.

Galley:

Galley is port-side forward in salon. Isotherm Stainless under-counter refrigerator/freezer; wine 4-bottle storage in counter; Cuisinart Stainless Convection Microwave; 2-Burner glass panel Range-top; Chilled drink storage box in cockpit (Waeco); Electric Grill on swim deck; Solid Countertops; Stainless Sinks

Staterooms:

The master stateroom is forward with a center-line walk-around queen berth and two generous hanging lockers. There

are opening ports and an overhead hatch with an Ocean Aire privacy shade. The roomy master head with a separate shower stall and glass bowl vanity is aft to starboard.

The guest stateroom is full beam amidships and sleeps three full sized adults. There are two single berths running athwartships (which can convert to a full sized queen.), and a single berth running fore and aft to starboard. There is full standing headroom, and a large hanging locker. There are large windows port and starboard for great natural lighting. The generous guest head is across the hallway and serves as the day head as well. There is a separate shower stall and glass bowl vanity. There is a sleeper sofa in the salon that can accommodate two adults.

Cockpit and at Deck:

The aft cockpit is connected to the salon by a three panel, sliding, stainless framed, glass door and is protected from the sun by a retractable Sure Shade cover. Seating is L-shaped to starboard with storage beneath and two matching concealed ice chests. Forward and across is a double seat with a refrigerated drink box beneath. Aft through the transom gate is the molded in swim platform and a hydraulic swim platform that can accommodate a dinghy with chock slides built in. There is a concealed country kitchen here with an electric grill and sink. There is storage here as well as a hot and cold shower and a fresh water wash-down. The swim platform lowers into the water and concealed cascading steps provide access to the lowered platform. A very useful piece of engineering that makes access to the water a breeze for all, (including a pet).

Electronics and Helm:

A fully integrated system with two 12 inch multi-function display, all networked to the radar, autopilot and Smartcraft communications system; (2) Raymarine FLIR ES 12" Hybrid Touch Multi-Function Displays; Raymarine FLIR Autopilot networked; Raymarine FLIR 4 KW 18" Digital Radar 48 Mile Raymarine sounder module; Raymarine FLIR; VHF Radio with Command microphone
