Summary/Description

2019 Princess F62

2019 Princess F62 – **OFF THE HOOK** represents a unique opportunity to purchase a highly upgraded, low hour and professionally yacht managed F Series Motoryacht that is outfitted for the tropical climate of Florida.

She was recently professionally serviced and was just hauled out in the yard so she is ready for her new owner. **OFF THE HOOK** is the best value in a late model Princess F62 around.

Some of the features include a spacious three-stateroom layout featuring an aft crew cabin, Seakeeper Gyro, Raymarine Electronics, and more.

You do not want to miss this opportunity.

Notable Features:

- All Services up to Date and Recently Hauled for Service
- Seakeeper Gyro
- Humphree Active Roll Stabilization
- Bow and Stern Thrusters
- 1200 GPD Watermaker
- Aft Docking Station
- Custom Bow Shade with Carbon Fiber Poles
- Life Raft
- Xpel Window Film for UV/Heat
- Asea Frequency Convertor so Vessel can be used in the Med or US/Bahamas
- Crew Cabin Aft
- White Hull
- Underwater Lights
- Allure Package

Princess Yacht Description

Known for their remarkable attention to detail, quality craftsmanship, and ultra sophisticated designs, Princess Yachts is bringing a new F Class model to the motor yacht market and like the stellar flybridge models before her, the Princess Yachts F62 is absolutely exquisite. The Princess F62 is the embodiment of the UK shipbuilder's meticulous design ethos and with all the benefits of the latest infusion technology, features you would normally only expect to see on a much larger craft are coming standard. The flybridge on the Princess Yachts F62 inspires relaxation through and through with a large dining area, a sunpad aft and a unique circular forward seating area that can be converted into an additional sunpad. Boasting a walkthrough foredeck entertaining space and a hydraulic bathing platform as standard she is a brilliant and welcomed addition to the Princess Yachts F Class range.

The Princess F62 flybridge expansive main deck saloon flawlessly brings the outdoors in through full length hull side windows, while her perfectly sociable galley is positioned aft and opens up to the cockpit. The helm area is located to starboard with additional forward facing guest seating opposite. Below deck, up to six guests can enjoy three superbly appointed ensuite cabins all bathed in natural light from elegant hull glazing, with the option of a further twin cabin aft for occasional guests or crew.

Power Boat Guide 22-23 Description

The F62 was designed to cater to both social and private settings. Forward of the galley and two steps up, the salon is bathed in natural light thanks to huge full length side windows. Replete with plush seating and clever design touches, the salon is unusually spacious for a 62 foot yacht. There are three staterooms below including an opulent full beam master with settee, seating table and two large hull windows. Of special note, the berths in the starboard guest cabin slide together at the push of a button. The F62's flybridge is equipped with a full wet bar and barbeque as well as a unique circular seating area that converts into additional sun pads. A fabric sliding roof integrated into the hardtop deploys electrically. The bow has an innovative multi-seat social area with twin sunbeds forward and a forward-facing lounge aft, separated by a small walkway.
