Summary/Description

Seabiscuit is a beautifully maintained 2002 Viking-Princess 61. She is equipped with upgraded Man 2848 diesel engines creating 800hp each for a powerful and speedy ride.

Seabiscuit is a beautifully maintained 2003 Viking-Princess 61. She is equipped with upgraded Man 2848 diesel engines creating 800hp each for a powerful and speedy ride. She has a 3 stateroom / 3 head layout and has been updated throughout. She boasts newer electronics, water-maker, and LED lights and all A/C units replaced in 2021, main salon A/C replaced September 2023. New water heater, blackwater hoses, and vacuum system replaced April 2023. The bottom was also sanded down to the bare fiberglass and painted April 2023. She has bridge and stern davits to load and unload tenders and water sports equipment. The engines and all mechanical systems are professionally maintained by a certified marine surveyor / owner. Seabiscuit is ideal for a day out on the water, weekend in the keys or extended stay in the Bahamas. All services are up to date and she's ready to go!

Always polished and ready to show

Vessel Walkthrough

The salon area features a large C-shaped ultra-leather settee and rich cherry cocktail table. Across to starboard is an ultra-leather love seat flanked by the entertainment center and bar and glass storage. Just forward, an internal spiral staircase makes access to the Flybridge quick and easy. The galley is down a couple of steps just forward of the salon settee and offers complete facilities. The lower helm to starboard offers luxury automotive style seating for two and a comprehensive instrument panel with top of the line electronics and navigation equipment. The dinette seating is forward to port and allows passengers comfortable seating underway with good visibility forward and access to anyone in the salon or to the captain.

Sleeping accommodations are forward and down the companionway. The starboard midship stateroom would be considered the first master, and features a queen bed, entertainment center, and private ensuite head with stall shower. The forward stateroom could also be considered a master stateroom and features are virtually the same as the starboard. The port stateroom offers twin beds and private access to the port head with shower. This head is also accessed from the companionway for day head use.

Salon

- Ultra-leather settee and love seat
- Dark cherry cabinetry
- TV with hydraulic lift
- Stainless steel sliding salon access door
- Central vacuum system

- Blinds

Master Stateroom Accommodations
