Summary/Description

This vessel has always been in freshwater. The boat was initially located in Texoma Lake and was later moved to Lake Ray Hubbard in 2017. Equipped with Twin V6-4.3 Lts Carb engines, its last tune-up was done in July 2023. Give yourself the opportunity to own this 29.4 ft yacht with many upgrades.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
