In Stock: Yes

## Engines/Generators

## Summary/Description

### For Sale

A nice example of this Acapulco 40 bluewater Cruiser. Re-engined and a refit in 2004 has kept her updated. The current owners have had the boat professionally maintained throughout and have kept a maintenance log. Recently, the topsides were professionally repainted including new nonslip on deck. These boat details are subject to contract. Note: Offers on the asking price may be considered.
