VanDutch 55

The luxurious VanDutch 55 is a landmark model in the company's legacy. Its distinctive profile is reminiscent of the original VanDutch 40, including the unmistakable vertical bow and minimalistic deck lines, but with enhanced volume and interior capacity from its 16.48-metre (55-feet) length. Naval architecture from Frank Mulder ensures the VanDutch 55 stakes its claim as one of the best performing, most cutting-edge motor boats in its size range. On the foredeck, vast sunbathing and lounging areas are available, while the cockpit enjoys expanded dining spaces and an electric Bimini.

Below deck, the VanDutch 55 provides accommodation for up to six guests, making it a fantastic boat for longer-range coastal cruising and the flagship in the VanDutch family.
