With continuous generous support from the manufacturer, you can be assured that this yacht is in top-tier condition.

Walk About has sailed on family adventures on the U.S. East Coast to the idyllic Bahamas and enjoys the brackish water of the Chesapeake Bay as its home port. With excellent craftsmanship and rich finishes, Walk About's interior luxury and comfort are only second to the safety features the naval architects built into the 530: oversized high stainless rails, flat uncluttered decks, and a bulkhead-protected helm position. Walk About is your ticket to safe and luxurious coastal cruising or circumnavigating adventures.
