Generator 1

Westerbeke
11.50KW

Summary/Description

All the best features of a yacht combined in 45 ft: sleek exterior lines, luxurious yet practical interior, hard top, air conditioned helm, walk-through windshield, joystick control for easy docking. What is missing is the price tag of a yacht! Hurry make your offer!!

The Formula 45 Yacht was produced until 2015 and sold for \$1.5M.

MICHU is the opportunity to purchase a 2 owners yacht, privately used only for a fraction of that original price.

The exterior design enables the passengers to move around the vessel safely thanks to the walk-thru center windshield window while the interior offers a forward VIP cabin with ensuite bathroom and and aft cabin with two single beds and an ensuite bathroom as well.

On the lower deck the midship salon/dinette/galley is a lovely space to have breakfast or get together in the comfort of the air conditioning while port and starboard windows open up the space to the view of the sea.

She is powered by Volvo IPS 600 with 435 HP giving the captain unrivaled maneuverability, increased performance, lower fuel consumption and an estimated top speed of 30 Knots at 3500 RPM. The IPS system is engineer for an optimal cruising speed of 27 knots at 3250 RPM (Boattest.com).

All reasonable offers will be considered.
