40' (12.19m) 2021 Greenline 40 Hybrid  
Palm Beach Florida United States

## OVERVIEW

**\$648,000**

Manufacturer:	Greenline	Hull Material:	Fiberglass
Engines:	2 Volvo Penta	Cruise Speed:	15 Knots
Engine Model:	D3 - 220HP	Max Speed:	22 Knots
Engine HP:	220	Cabins/Heads:	2 / 1
Beam:	13' 11"	Fuel Type:	Diesel
Max Draft:	2' 9"	Fuel:	185 G (700.3 L)
Water:	106 G (401.25 L)		

## Data Sheet

Category: Motor Yachts  
Subcategory: Trawlers  
Condition: Used  
Model Year: 2021  
Beam: 13'11" (4.24m)  
Max Draft: 2' 9" (0.84m)  
Min Draft: 2' 9" (0.84m)  
LOA: 39' 5" (12.01m)  
LWL: 39' 5" (12.01m)  
Cabins: 2  
Single Berths: 3  
Heads: 1

Maximum Speed: 22 Knots  
Cruise Speed: 15 Knots  
Fuel Type: Diesel  
Hull Material: Fiberglass  
Hull Shape: Displacement  
Air Conditioning: Yes  
Bridge Clearance: 9' 4"

Displacement: 17640 lbs  
Dry Weight: 17640 lbs  
Stern Thruster: Yes  
Fuel Tank: 185 gal (700.3 liters)  
Fresh Water: 106 gal (401.25 liters)  
Holding Tank: 21 gal (79.49 liters)  
HIN/IMO: SVP40130J021  
Stock #: 130  
In Stock: Yes

## Engines/Generators

### Engine 1

Volvo Penta  
D3 - 220HP  
Inboard  
220HP  
164.05KW  
Fuel: Diesel  
Hours: 105  
Year: 2021  
Serial #: A1115736  
Location: Port

### Engine 2

Volvo Penta  
D3 - 220HP  
Inboard  
220HP  
164.05KW  
Fuel: Diesel  
Hours: 105  
Year: 2021  
Serial #: A1115734  
Location: Starboard

## Summary/Description

Greenline 40 Hybrid redefines boating. The level of well-being at anchor or at sea was brought to a new dimension. Comfort of moving around with ease, excellent visibility, ambient light and ample ventilation in all areas are well above expectations.

### **\* Priced to Sell!**

This 2021 Greenline 40 Hybrid is located in Stuart, Florida.

This like new boat has been very well maintained and cared for.

Only 105 hrs. on the diesel motors which were serviced at 100 hrs. January 2024.

The gel coat was recently ceramic coated, added protection from Florida sunlight.

Full enclosure mesh curtains aft deck.

Extended Warranty on the motors until end of 2025.

Greenline 40 Hybrid redefines boating. The level of well-being at anchor or at sea was brought to a new dimension. Comfort of moving around with ease, excellent visibility, ambient light and ample ventilation in all areas are well above expectations. The Greenline 40 Hybrid will take care of you during the extended cruising trips you have always wanted to do.

Through the immeasurable effort in engineering expertise, time and money invested during the development phase of the Greenline Hybrid, this state-of-the art product offers great performance, reliability and user friendliness at incredible value for money. A lighter and stronger yacht further increases energy efficiency and performance.

Greenline's protected Super-displacement hull shape generates less drag, less wake, creates the ability to use less fuel, generates lower CO2 emissions, and enables the use of electric power. It offers better seaworthiness and easier handling than any comparable hull. The reduced energy requirement means less running cost, less refueling stops and more time in your favorite anchorage or cruising grounds. Besides being efficient, the Super-displacement hull shows optimum performance in all sea conditions - an important factor in comfort and safety when underway. The Greenline manages even challenging sea conditions with ease, needing only minute corrections at the wheel. The twin sacrificial stabilizer fins are a further advantage of this hull, and have three functions: they deliver roll stability, tracking stability, and protect the drive and rudder. If the stabilizers get damaged, the structure of the boat will not be affected. These fins can be quickly and inexpensively replaced.

Greenline Hybrid can collect, store and use electrical energy from the sun, from the shore pick-up or from the main engine driven generator. With a solar array and a Hybrid drive electric unit this boat is a mobile power station providing a constant supply of AC power (230 or 120 VAC) on board.

Added bonus after purchasing. Electro Sea/Clearline and Spurs rope cutter.

Bottomed painted May 2023
