2018 Azimut 40 Verve "Loki"

Originally delivered in 2019, "Loki" is a meticulously maintained Azimut 40 Verve. As with most yachts produced by Azimut the 40 Verve started the luxury outboard revolution. With her completely professionally cleaned teak decks, new caulking throughout and custom black checkered seating she will turn heads in any marina. She is professionally maintained by True North Marine with monthly system checks and no expense spared. To protect the exterior, the boat has a custom complete tarping system the compasses the entire yacht. She is cleaned and waxed biweekly as well as having a fresh (will get paint info) premium bottom job in 2022. The interior is immaculate and the v birth recently had an interior design upgrade. She is equipped with Seakeeper 5 that reduces roll and gives everyone a comfortable ride on the water. "Loki" is also equipped with FLIR thermal technology, twin Raymarine hybrid touch displays, which include 24 mile radar, fish finder, forward sonar, as well as fully integrated chart plotter. A new anchor designed to grip the bottom of Galveston Bay was added this year. If it's a party for 20, or a weekend getaway for two "Loki" will not disappoint.
