Summary/Description

For Sale

The 2021 Sea Ray 320 Sundancer with outboards is a stylish and versatile express cruiser that offers a combination of performance, comfort, and luxury. With outboard engines, it offers increased maneuverability and efficiency compared to traditional inboard models.

The 320 Sundancer features a sleek and contemporary design with clean lines and a spacious cockpit area. The cockpit includes ample seating and lounging options, a wet bar, and a grill for outdoor entertaining. It's a great space to relax, socialize, and enjoy the views while underway or at anchor.

The interior of the 320 Sundancer is thoughtfully designed and beautifully finished with high-quality materials. It offers a comfortable and luxurious living space with a modern and open layout. The salon comprises a well-equipped galley, a convertible dinette or seating area, and a forward berth that can be transformed into a private sleeping area.

Accommodations on board the 320 Sundancer consist of a spacious mid-cabin berth along with the forward berth, providing comfortable sleeping options for overnight trips. The boat includes a private head with a shower, offering convenience and privacy for guests onboard.

The helm station of the 320 Sundancer features modern navigation and entertainment systems, ensuring a seamless and enjoyable boating experience. The boat's outboard engines deliver excellent performance and maneuverability, providing responsive handling and efficient cruising power.

Overall, the 2021 Sea Ray 320 Sundancer with outboards is a versatile and well-appointed express cruiser that combines style, performance, and comfort. It is designed for boating enthusiasts who appreciate luxury and functionality, making it an excellent choice for day cruising or overnight adventures on the water.
