Summary/Description

"GETAWAY" has more than just a rakish profile and better-than-average performance, she also boasts a well-finished interior with a spacious salon and an innovative master stateroom layout.

"GETAWAY" has more than just a rakish profile and better-than-average performance, she also boasts a well-finished interior with a spacious salon and an innovative master stateroom layout. Built on a tapered, modified-V hull with a shallow keel and a well-flared bow, the 43 SS came with a long list of standard equipment and relatively few options. Her spacious two-stateroom floorplan is arranged with a private head in the master stateroom (located in the bow of the boat) and twin single berths in the guest cabin. The wide-open salon is created by extending the house well forward on the foredeck and tucking the guest stateroom under the galley. The cockpit has a freezer, a huge fish box, transom livewell, washdowns, tackle storage lockers, and a transom door. Additional features include a central vacuum system, wide side decks, engine room washdown, and a bow pulpit. Her twin Yanmar diesels cruise the 43 Super Sport at 28 knots and reach a top speed in excess of 30 plus knots.

Call central listing broker Roger Mooney 410-456-3659 for complete details.

Accommodations

The Ocean Super Sport boasts a well finished interior and an innovative master stateroom layout. Her 2 stateroom -2 head floor plan is arranged with a private head in the master stateroom, located in the bow of the boat and 2 single berths in the guest stateroom. The wide-open salon is created by extending the house well forward on the foredeck and tucking the guest stateroom under the galley. The cockpit has a freezer, a huge fish box, transom live well, washdowns, tackle lockers and a transom door. Additional features include a central vacuum system, wide side decks, engine room washdown and a bow pulpit.
