Summary/Description

Scout is known for introducing models with market-first innovations that separate their models from the competition, and the 300 XLF is no exception.

Scout is known for introducing models with market-first innovations that separate their models from the competition, and the 300 XLF is no exception. The 300 XLF model showcases Scout's patented T-top/hardtop w/ tempered glass enclosure, deluxe fiberglass leaning post with a bait well, tackle drawers, dual custom helm chairs with folding lean bolsters and armrest, sink and rod holders, power assist hydraulic steering, and an aft under-deck systems station complete with storage as well.

Forward seating, both port and starboard, with storage underneath the forward seating and fish box/storage complement in the floor. There's also a forward lounge seat in front of the console with storage underneath as well. A fully cushioned berth is down below. The cushion folds up smartly leaving access for additional space and for the whole family. There's a stainless steel sink with a Corian vanity w/mirror as well as a electric marine head w/10 gallon holding tank with overboard discharge and deck pump out.

She is Powered by Twin 300hp Mercury Verado Engines w/ Less Than 300 Hours and under Mercury Platinum Warranty Through 5-2027

Looking for a well equipped family style fishing / cruising center console that is absolutely ready to go? Give me a call or text, Joe Green, 252-241-1316 for more details. This Scout one to highly consider
