Beautiful blue hull Carver that is loaded with options, very low hours and usage and it shows!

This has been a freshwater boat only, originating from the Lake Of The Ozarks.

Manufacturer Provided Description

For an exceptionally accommodating layout that's truly best in class, look no further than the 43 Super Sport. With her extended bridge option the model out-sizes all other yachts in the class. For a truly impressive ride, the 43' can be further equipped with the revolutionary Volvo IPS Drive system with IPS Joystick Control. And like all Carver models, structural integrity is assured through our unique C.A.S.T. system. Added entertainment space can be found on the generously roomy cockpit or in the spacious interior layout. Uniquely designed for convenient entertaining, the full-beam salon and galley share the same level. An under-galley utility room provides abundant pantry storage, or it can accommodate an optional washer/dryer. The forward master stateroom is complemented by a true VIP stateroom - not a twin berth. Additionally, two separate heads with enclosed stall showers provide welcome privacy.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
