Powered by TWIN Cummins QSM 11 635HP well maintained diesels and Gen-Set. The wide beam helps give the express fisherman its ample cockpit

TURN KEY CHARTER OPERATION AND TACKLE INCLUDED

The 2006 Luhrs 41 Open with a Tower features a Carolina flared bow for a dry ride with a wide beam aft for stability ... This boat is bred for fishing and cruising ... Powered by TWIN Cummins QSM 11 635HP well maintained diesels and Gen-Set. The wide beam helps give the express fisherman its ample cockpit, with ample deck space.

Great fishing necessities, including a live well, dual washdowns, fishbox, rod holders and bait prep station. The boat comes with fishing tower with full controls and instrumentation.

The bridge deck is laid out with the helm to starboard behind a raked windshield, stainless-steel wheel, molded dash and instrument panel. Being two steps up from the cockpit, the helm has good sightlines for docking and fishing.

Sleeps up to six in a sizeable interior. Accommodations include a master berth forward with a privacy curtain, and there's an adjacent head with a separate stall shower. In the main saloon, the settee/dinette converts to over-under bunks, with a double on the lower and a single on the upper. There's a single berth opposite. The Corian-Countered galley comes with a cook-top, microwave, refrigerator/freezer, and cabinet and under-counter storage. The spacious interior, with it's teak woodwork, separate stall shower, full galley, and berths for four is attractively finished and easily suited for relaxed family cruising.
